GRUNDY IS SILENT

WILL SAYS BOYS WANTED ACTION IN STOCKS AND GOT IT

(Special To The News)
BEVERLY HILLS, Cal., Nov. 13.—Instead of observing Armistice Day, Monday, a 11 Street decided to hold a little session for the boys that craved more action than ordinary peace afforded. A n d everybody was jarred loose from a 5-to-0-point drop.
That will make some of 'em remember that the delay has a significance, anyhow.
Only two more weeks of this special session of congress which Mr. Hoover would give his high top rubber boots if he had never been short sighted enough as to have called.
He has one consolation. They have annoyed each other as much as they have him.
Yours,
WILL ROGERS.

PA NEWC OBSERVES

New Castle now has a speedway. The new 50 foot highway between this city and Walno, recently completed and placed in use is certainly being used to its best advantage by fast drivers.
Numerous ladies who were enroute across Washington street at Mercer street with singing books under their arms, paid no heed to the traffic signals last night. They crossed Mercer street with the traffic signal light plainly against them. Pedestrians have a duty in heading traffic lights as well as auto drivers.
Youngsters who play football on the town lots have to go the full route. Pa Newc noted a group of youngsters last night, chasing a pigskin and clad in football uniforms. They were stockless, in imitation of some of the most advanced styles of college players.
It wouldn't be a bad idea to remove the benches from the municipal tennis courts on Boyles avenue and store them for the winter.
Catch basins for the storm sewers on Highland are being enlarged under the direction of Street Commissioner Moore. It is believed that this move will help to take care of the large volumes of water that come down the thoroughfare during a heavy rain.
Why shouldn't there be a fire station in the upper North Hill section, Pa Newc is asked. We give up. It looks as though probably the most valuable residence section of the entire city, has the least in the way of fire protection at the present time.
Residents in the vicinity of the new North Street bridge are at a loss to understand why the lights are burning during the afternoon hours.
Not too late yet to subscribe to the Community Chest fund for the coming year. The final clean-up drive is being made this week for the purpose of completing the year's quota. Some have not been solicited, every time he is aiding, it is feared. If you are one of these make yourself known.
New Castle motorists know that the corner of South Mill and Water streets is a dangerous one. Pa Newc observed traffic as it passed that corner yesterday. Most of the traffic approaching Mill street came to a halt, as the law requires, before continuing into the intersection, but some didn't. It's a corner that should be watched. Especially on rainy days when the floor of the bridge is exceedingly slippery should extreme care be used.
Barnyard golf has taken more from a firm hold on local mail carriers. Despite the approach of winter, they may be seen playing the game in the rear of the post office every time they have a few leisure moments. Some of the boys are becoming adept at the game, too.
Friday is the last day car owners will be permitted to run their machines under an inspection sticker. Those who try it after that date will be liable to arrest and fine. It is going to be pretty hard on those

Cool Reception In Europe Seen On Hoover's Plan

HOPES TO CREATE WORTHY DISCUSSION

Plan Of Making Food Ships Immune From Attack In War, Hoover's Idea

By GEORGE R. HOLMES
International News Service Staff

WASHINGTON, Nov. 13.—The somewhat cool reception which Europe has given President Hoover's suggestion of making food ships immune from attack or seizure in war time did not greatly surprise nor disappoint him. Mr. Hoover anticipated the objections that would be raised against his proposal abroad, and he is content to let the whole project be hammered out "on the anvil of debate," as he himself expressed it, confident that the more world thinks about it the better it will think about it.
No Conference Planned
Reports that the president contemplates inviting the world's naval powers to a conference on the subject were authoritatively described today as without foundation. Mr. Hoover has no such idea, it was stated.
Perhaps in the distant future, after the January naval conference in London has succeeded or failed, and after world opinion has crystallized, such a conference might be feasible. But, for the time being, he is satisfied to have made the subject one of active discussion in all the chancelleries of Europe.
That the League of nations will have to discuss it is considered a foregone conclusion, for the president's proposal strikes at one of the largest supports of the entire structure of the League—The right of establishing an economic blockade against a recalcitrant and warring nation.
Needs Revision
Radical revision of this article of the League's covenant would be necessary if Mr. Hoover's idea should be carried out, and nobody, least of all Mr. Hoover, has any expectation that this could be easily accomplished. Every nation in Europe is a member

Youth Freezes To Death In Blizzard

Three Youths Caught In Raging Blizzard In Colorado; Two Escape Death

(International News Service)
LA JURA, Colo., Nov. 13.—One youth was frozen to death, and two companions who watched him die in their arms after struggling through miles of a driving mountain blizzard with the suffering youth were in critical condition today according to reports here from the Spanish mountain settlement of Las Sauces in the Sangre De Cristo mountains.
Alfred Salazar, 17, was the victim of the storm. His two companions were his brother Frank, 19, and a cousin Fred Salazar, 19.
The youths were caught in the blizzard after leaving Las Cruces Thursday to gather pinion wood in the mountains.

Wire Fence Traps Deer; Local Motorists On Scene Release Frightened Animal

Here's about the most unusual story about the invasion of deer into this locality that has developed in many years.
A few days since, Walter Smith and Lester Wood, living near Moravia Stop, east of this city, motored over to the Butler county district of Bakerstown and Wildwood.
While driving near Wildwood their car frightened three deer, which had strayed from the woods into the road. In attempting to flee into the woods one of the deer became entangled in a wire fence and was caught a prisoner. As it struggled it could not free itself.
The Lawrence county men, aided by several other motorists who happened along the road, released the deer by use of pliers and tools they got out of their autos.
The animal was not injured, and once released, fled into the woods.

Older Boys Conference Will Bring 400 Youths Here For Three Days

Leading Y. M. C. A. older boys from all over the Northwestern Pennsylvania area, to the number of 400 and more, will gather in New Castle for their annual conference on Friday, Saturday and Sunday, November 29 and 30 and December 1, as guests of the local association and different Hi-Y clubs of the city.
Boys of 15 years of age representing high schools, churches, comrades groups, and employed boys' brotherhoods are eligible to attend as delegates and as many as possible will do so. Registration cards of the different boys who plan to attend are now being sent to state headquarters of the Y. M. C. A. at Harrisburgh, from where they are to be forwarded to local directors.

Plan for Housing
William A. Thomas, boy's work secretary for the New Castle "Y" is making careful plans for entertaining the group that is expected. Caring for the boys during the two nights they are in the city is a problem which has confronted the local directors in making their plans but the residents of the city are cooperating in opening their homes. Hosts of the boys will also be asked to furnish breakfast and dinner on Saturday and Sunday along with the two nights' lodging.
C. C. Robinson of New York, member of the national council of the Y. M. C. A. and an active worker in employed boys' circles has been secured as the principal speaker of the conference. A banquet will feature the Friday evening session with another which will be just as elaborate on Saturday evening. Organization of the conference will occur at the Friday night session.
Other speakers secured for the conference will be Mrs. Mary Cartwright of the Ohio state department of health, Columbus; W. G. Martin, metropolitan boys' work secretary from Pittsburgh; Coach L. C. Boles of the College of Wooster and Philo C. Dix, state secretary with headquarters at Harrisburgh.

Working Conferences
The meetings here will consist of working conferences. Delegates will choose to work in one of the several possible enterprise groups which will explore the possibility of a certain topic, discover resource help from pamphlets and the Bible, and aid in

REED AND NORRIS GIVE VERSIONS OF TARIFF WAR

(Editorial Note—The Republican party has divided into two big factions in the senate over economic problems, arising out of consideration of the new tariff bill. The breach has caused serious alarm among many party leaders, who fear the division may be carried into the presidential elections of 1932, with as disastrous effects to the Republican party as the split of 1912. The views of the opposing leaders are given in the following articles.)

WASHINGTON, Nov. 13.—While the ranks of the militant Republican insurgents solidified under attack, administration leaders today were hopefully arranging an early adjournment of the special session of congress as a means of bringing a truce to the battling Republican factions on Capitol Hill.
The special session will be terminated Saturday, Nov. 23, unless some unforeseen development in consideration of the pending tariff bill carry the proceedings over into the Thanksgiving week. This adjournment will give the Senate a week's vacation before the next regular session opens on Monday, Dec. 2.

First And Second Year Men At Princeton Engage In Egg Throwing Battle

(International News Service)
PRINCETON, N. J., Nov. 13.—All was quiet on the Princeton front today after a night of wild rioting between first and second year men, resulting in injury to two students and property damage of more than \$1,000.
The riot started with the pronouncement of judges the freshmen were winners of the annual cane spree. Without warning, the sophomores laid down a terrific bombardment of eggs and vegetables. Uncovering hidden ammunition, the freshmen returned the fire.
Growing in intensity, the two armies moved from the campus to the street. And a single policeman who attempted to arbitrate was stripped of his coat, badge and handcuffs.
The officer jumped into a car with a fellow officer and, using the light car as a tank, charged the rioters. In the scramble that followed, H. Hancock, a freshman, of Paris, Ky., and John Woods, sophomore, of Gettysburg, Pa., sustained slight injuries.
Advancing further into the city the rioters, by the fury of their fighting, halted traffic on the Lincoln highway for more than three hours.

Former Resident Dies At Charleston

W. H. Marquis Dies At Home Of Son; Funeral Here On Thursday

Word was received here today of the death of W. Harrison Marquis, age 67, of Charleston, W. Va., a former well known business man of New Castle. His death occurred on November 12, following a short illness.
W. Harrison Marquis was a son of the late Captain M. S. and Martha Stoffer Marquis, pioneers in New Castle. For many years the deceased was associated with his father in the limestone and brick business. Later he held an executive position with the Home Trust Company.
About eight years ago Mr. Marquis left New Castle to associate himself with his son, Harold Edwin Marquis, who is the owner of the Charleston Machine and Welding company of Charleston, W. Va.
He is survived by his widow, Mrs. Carrie Jones Marquis, his son, Harold Edwin Marquis, six grandchildren and four sisters, Mrs. T. J. Hamilton of Phoenix, Ariz., Mrs. Elizabeth Bidle of Morgantown, W. Va., Miss Laura Marquis and Mrs. Charles Greer of New Castle.
Funeral services will be held from the home of Mrs. Charles Greer of North Jefferson street on Thursday afternoon, November 14 at 3 o'clock, with Rev. H. C. Weaver, pastor of the First M. E. church officiating. Interment will be in Oak Park cemetery.
In his lifetime in New Castle the late W. Harrison Marquis was a highly respected business man. He was active in religious and civic life and was a life long member of the First Methodist Episcopal church. He was also active in the work of the Men's Bible Class of the same church while here. His passing will be met with regret and sorrow upon the part of his many friends here.

WASHINGTON, Nov. 13.—The Senate's lobby investigation got off to a blazing start today with Senator Caraway (D) of Arkansas, the chairman, calling Joseph R. Grundy, the Pennsylvania protectionist "a welcher" and "yellow."
Grundy was put on the witness stand again for a grilling on his previous testimony that Southern and Western senators came from "backward States" and "should talk damn small" on tariff matters.
When Caraway endeavored to get Grundy to elaborate on those statements, and to list the senators and the states that he considered "backward," the ruddy-cheeked Pennsylvanian refused to do so, and Caraway declared that he was "welching" and was "yellow."

Swissvale Officer Strangely Missing, So Is Borrowed Car

Swissvale Policeman Borrows Friends Car For Hour, Has Been Gone Since Saturday

(International News Service)
SWISSVALE, Pa., Nov. 13.—Richard L. Ferguson, 33, a Swissvale policeman, is being sought by police today after disappearing with a borrowed automobile from a Swissvale fireman, according to Chief of Police John W. Norris.
Ferguson borrowed the car last Saturday to take a woman to Mt. Oliver and expected to return within an hour, it was said.
An unnamed woman vanished shortly after Norris borrowed the car, and detectives have been requested to search for her.
Ferguson, according to Chief Norris, has been under suspension since November 4 charged with conduct unbecoming an officer and has been separated from his school teacher wife and two children for several months.

ANOTHER OFFICER IS FACING TRIAL

(International News Service)
CHANDLER, Okla., Nov. 13.—Jeff D. Harris, 65-year-old deputy federal prohibition officer, was in jail here today facing a fifty year sentence in the state penitentiary for the fatal shooting of a farmer during a liquor raid.

Harris was tried and convicted eleven days ago of first degree manslaughter in connection with the killing of Oscar Lowery July 4 on a Tecumseh farm.

Meanwhile W. W. Thomason, federal officer who deputized Harris, is facing trial on a charge of slaying James C. Harris, Lowery's brother-in-law, also shot to death during the raid.

Judge Hal Johnson, in passing sentence, said "The crime was inexcusable." He declared he was opposed to the jury's move to reduce the charge from murder to manslaughter.

Jeff Harris' attorney said he would appeal when the judge refused a new trial.

Harris and Lowery met their deaths when Thomason with Jeff Harris and two other men stopped at the Harris farm in search of liquor. It was brought out at the trial that Jeff Harris went on the premises and a few minutes later shooting began which resulted in the fatal wounding of James Harris and Lowery.

The convicted man himself was shot in the face during the raid. Throughout his trial he claimed he shot in self-defense. No liquor was found on the Harris premises.

Lowery, before his death, is alleged to have sworn the deputy dry agent shot him as he leaped from the Harris porch.

A farm journal declares there is some element of risk in raising anything. This is especially true of checks.

Pa Newc knows of nothing as rare as a day in June, unless it could have been the fine November day we had yesterday. The day was as perfect for this time of the year as could be.

It is certainly a relief not to meet the deluge on the New Castle-Youngstown road. The road is now fine. Last night was clear and easy to drive. Many motorists have been heard to remark of their appreciation of the new stretch of pavement between Coitsville and Youngstown.

An old carcass of an automobile stands on one of our roads, near New Castle. The car, which is turned over to a ditch, has been the prey of vultures, head lights, almost everything, in fact.

Councilman Reeves deserves commendation for the ash walk along Atlantic avenue. He has also had employees stretch cables along recently installed poles. when Caraway bluntly "excused" him immediately after his refusal to name senators he thought should go in his group of "small talkers."

"I thought that," Caraway snapped, when Grundy told him he thought it would be "unbecoming" for him to name the senators.

"I thought you were going to turn yellow at the last."

The Pennsylvania was interrupted in an explanation of his actions by a sharp "that's all; you're excused," from Caraway.

After Grundy left the stand Caraway ordered his words stricken from the record.

Taken Off Record
"I don't want those words in the record," he said, "because I kind of like Mr. Grundy. I didn't think he would go through this. He couldn't have lived through the criticism that would result."

The Grundy inquiry was opened bluntly by the committee chairman. "You know you agreed you would give us a list of your approved senators and the others. Are you ready to do that?"

"It would be entirely unbecoming to me as a private citizen interested in legislation to do that," Grundy replied.

"You made a positive, absolute promise—now do you wish on it?"

"On reflection, I weakened. I feel that I made a mistake, on reflection."

"Well, I want to know if you will waver?"

"I wouldn't want to call it that."

"I thought that. I thought you were going to turn yellow at the last."

"Kind Of Like Him"

Caraway was smiling in a friendly manner, when, after he excused Grundy he walked to the rear of the committee room to shake hands with him and say "I kind of like him."

Thomas J. Hill, of Pine Bluff, Ark., treasurer of the National Council of State Legislatures, followed Grundy on the stand to explain the work of his organization and its connections with the Southern Taxpayers League, high tariff organizations which for ten days have been under committee scrutiny. J. A. Arnold, manager of the two organizations, said the two bodies were "a sort of wet nurse to the Council of State Legislatures."

Hill said Arnold was the "moving spirit" behind his organization. He asserted he received \$212 from the Washington convention of its members in 1927. Hill said he knew of no payments to his organization from the American Taxpayers League.

Frank Mondell, former Republican leader of the house, attended and made an address at the first meeting of the council in 1925, Hill said. The time Mondell was counsel for the Taxpayers League. His own interest in the council, Hill explained, was that he was in accord with its policy of urging repeal of the Federal inheritance tax.

the development of plans for older boys' group work to be carried on at the home base. Each group will have three sessions with an adult discussion leader. A counselor skilled in the topic under discussion will also be present.

All conferences of the older boys here will occur at the First Methodist church while the Friday and Saturday banquets will be held in the First Presbyterian church, with ladies of the latter congregation in charge of the serving.

The recreational side of the boys' three days' stay here had not been neglected. The visitors will be the guests of the Shenango Pottery company and will inspect the Cathedral on Saturday afternoon. Other side trips may be arranged.

Special swimming meets, bowling and other gymnastic activities are being arranged by the local Association for those who care to participate in these sports following the sessions at night.

Registration for the conference will open at 2 o'clock on Friday afternoon and will end with the Sunday

afternoon session. The first session will be held on Friday afternoon at 4 o'clock.

Some of the topics of the conference enterprises have been chosen are as follows:

What is the purpose of life and what does the idea of God mean to you?

How can we improve boy and girl relations?

How can the sportsmanship of our schools be improved?

How shall we determine our vocation?

Dr. C. J. Williamson, pastor of the Highland U. P. church will be one of the leaders of the discussion. His will be entitled "What is character and how is it developed?" Other local men may also be asked to lead different sessions.

Orchestra music at the banquet sessions will be furnished by the members of the Ben Franklin Hi-Y club orchestra.

Homes to which delegates will be assigned will be notified as to the number of delegates they will be expected to entertain probably three or four days in advance, it was said today.

Local Y. M. C. A. directors announce that if there is any local church, institution or plant that is desirous of sending boys to the meetings they are cordially invited to do so. The boys will be taken care of by "Y" men and can take part as much as delegates from out of the city. The conference is for older boys and not Hi-Y boys alone.

other detectives went to the office of Justice of the Peace J. Clyde Miller yesterday afternoon to remove the ballot boxes supposed to contain the ballots which are under suspicion. All of the votes in the second ward had been burned, including those from four districts questioned. Squire Miller told the detectives, in order to make the boxes ready for the regular election.

What charges, if any, are to be made against the justice of the peace is expected to be decided today.

Meanwhile Richard Durant and Joseph Boyd Bennett, negroes, whose confession that they had been busy most of the primary election day in repeating their vote under various names started the investigation, are in jail and await the filing of formal charges against them. According to allegations, the men were hired by prominent politicians in Homestead to do up the vote.

Another man and woman, claimed to be involved, are said to have been beyond the reach of the district attorney's office.

didate for president, Mr. Hoover. This promise was that congress and the president would put agriculture on the same economic basis enjoyed by the manufacturers of the east. The western representatives are demanding that this promise be kept. The west cannot continue to exist under an economic standard, which forces it to buy in a highly protected market, while selling in a market dominated by world prices.

The eastern representatives, or at least many of them, are refusing to keep the promise made by the Republican party at Kansas City. This has constituted the so-called breach.

The only remedy is that the representatives of the manufacturing east should fairly and honestly redeem this pledge.

COOL RECEPTION IN EUROPE SEEN ON HOOVER'S PLAN

(Continued From Page One)

of the League, and the United States is on the outside.

Europe's reaction to the president's suggestion, as judged from initial press comment and the cautious utterances of statesmen, might be summarized thus:

France—Very cool.

England—Interested, but cool and cautious.

Germany—General approval.

Italy—Cynical coolness.

Germany's whole-hearted approval of the Hoover plan was anticipated, for Germany alone of the major European powers is without a navy of any consequence, and dependent to a considerable extent on outside supplies of food. And Germany doesn't forget that had the plan been in effect during the World War she might have won it, for the backbone of German resistance was broken by the economic blockade which the allies maintained to cut off her supplies of food and war materials from the outside.

England is the country most vitally concerned with the president's proposal, for England cannot feed herself except through the protection afforded by the British navy to her merchant shipping.

And in the final analysis it probably will be England that will decide the fate of the proposal.

There was considerable speculation today as to whether President Hoover had discussed the project with Ramsay MacDonald during his visit here. The impression prevailed that it was discussed. Although no official confirmation could be obtained. It was noted, however, that the most favorable comment in Europe, outside of Germany, came from the press that is supporting the MacDonald labor government.

SPECIAL SESSION ADJOURNMENT IS HOPE FOR TRUCE

(Continued From Page One)

party in the Senate can be healed at the next session. The "split" between insurgents and old guards has grown to such a point that administration spokesmen are thoroughly alarmed over the future. They particularly fear intra-party warfare in the 1930 elections and the possibility of a third party movement in 1932, both of which would wreck havoc to the chances of Republican success at the polls.

The immediate concern of the peace negotiations was to find some medium of legislation which will serve to reunite the party early in the new session. This might easily be a new disarmament treaty, to be brought back early in the new year from the international conference in London in January.

No Peace on Tariff

It may also be an economic measure, intended to pacify the insurgents—a bill possibly for government operation of Muscle Shoals, which lies close to the heart of Senator George W. Norris (R) of Nebraska, the insurgent leader. Again, it may be regulation of the stock exchanges, another pet hobby of the insurgents.

Both sides were agreed there can be no peace so long as the tariff bill remains before the Senate, as each day sees the tariff wars growing more bitter. There was an indication of this intense feeling in a statement issued by Senator William E. Borah (R) of Idaho, one of the insurgent leaders, defending the position of his group.

"Industry is now in possession of nearly 97 per cent of the home market," said Borah. "And what the coalition, so-called, is undertaking to do is to place upon unconscionable raises in industrial duties which would amount to an embargo."

"The coalition has made no attack upon the protective system. We are simply endeavoring to establish the principle of equality in that system as between agriculture and industry."

3,000 Automobile Deaths.
The Gay Night Clubs.
Switzerland On The Ocean.
Eskimo Alice's Baby.By ARTHUR G. BRISBANE
(Copyright, 1929, King Features
Synd., Inc.)In September, according to the
Hartford Insurance Company, 3,000
were killed in automobile accidents,
a new record.Bad whisky accounts for some kill-
ings, and "jay-walking," carelessness
of pedestrians, accounts for many more.Adults should know, children should
be taught, that every highway is
more dangerous than a railroad, au-
tomobiles being more numerous than
trains, and just as dangerous.Five young men went to the "Pic-
cadilly" Night Club in Newark, N. J.
One quarreled at 4 a. m. with the
owner, was hit in the eye. When
his friends went to about it a
gunman appeared in the door."Hold on, you wouldn't shoot any
of us, would you?"
Grant Patterson, 25 years old, asked
the question. Four bullets in his
body answered.He is dead, the gunman not iden-
tified, the night club still running,
presumably. Forty couples dancing
heard no shots.In Detroit, night club windows were
barred to keep out rum raiders, fire
came, and many, kept in by the bars,
died.The whisky is worse than the gun-
men, other risks at our gay night
clubs, but "intelligent Americans" go,
and will continue going.In old fashioned war, Switzerland
relied on her mountains, her men,
all trained soldiers able to use a rifle,
and on the fact that it would cost
more than it would be worth, to con-
quer her.But now, with mountains, rivers, or
water no longer a protecting barrier
Switzerland ORDERS ONE HUN-
DRED AND FIVE AIRPLANES. Men
used to joke about "the Swiss navy."
But Switzerland is now on the shore,
the air being the real ocean, and she
means to have an air fleet.

Uncle Sam, take notice.

Speaking in Collier's Armistice Ra-
dio Hour on Sunday, General Mitch-
ell, our most brilliant fighting air
officer in the big war, said, among
other things: "Airplanes can cross the
Atlantic in 20 hours, the Pacific in
less than 40 hours. In the big war
battleships appeared in two engage-
ments, one lasting sixteen minutes,
the other twenty-four minutes. No
ship was sunk. Our battle fleet never
fired a shot, except in salute."New York could be destroyed in a
morning by air torpedoes fired from
a distance of hundreds of miles."We live," said General Mitchell,
"in an era of bunk, special privilege,
and lobby control." That is all true,
and the problem is to get results, by
repetition, even in such an era.Today, and never again, probably
the world will hear of Alice, young
Eskimo mother, last name unknown.
She and her husband conducted to
safety a party of white fliers, stranded
in the Arctic.The white men suffering great
hardship, travelling on rough ice,
dangerously thin, were frost-bitten
from nose to toes.Alice is sterner, as described by
Richard Pearce, editor of the North-
ern Miner, of Toronto, one of the
white men. "Alice, wife of the Eskimo
with whom McAlpine, Baker and I
were travelling, took her boy, 3 years
old, after he had been tossed from
the sled several times, stripped him
naked, tied him on her back, under
her clothing.Keeping her baby warm, next to her
flesh, with the temperature 27 below
zero, she "continued a man's share
of the work, urging on the dogs, help-
ing the sled over difficult spots."When the ice broke and Alice fell
through, she did not flounder, or get
hysterical and vanish with her baby.
She lay flat on her back until her
husband rescued her.The babe was all right, not frost
bitten.Cadet Paul Capron, dismissed from
West Point for marrying the colonel's
daughter, is working as a reporter for
Mr. Curley, editor of the New York
Journal. In his new job with Cur-
ley as a teacher, he will learn about
the real world, more than West Point
could teach in five years.West Point, forbidding cadets to
own "dogs, horses, a mustache or a
wife," should change the wife rule.
The strength of man's emotions
sometimes proves power in other di-
rections.For instance, a young English cap-
tain, Horatio Nelson, 24 years old,
commanding the British frigate Al-
batross, in the war against this
country, fell desperately in love with
a Canadian girl at Quebec.Rules of the navy would not let
him marry. He left his ship, told
his brother officers he was leaving

For those who understand the true
significance of Thomas A. Edison's
claim there should be no doubt as to
whether he or Sir Joseph Swan de-
serves the greater credit for giving
the electric lamp to the world.
Edison's claim is not that he made
the first electric light globe. That
had been done as early as 1845 by
scientists in various lands. They had
learned that if the air were with-
drawn from a glass bulb, certain sub-
stances placed in the bulb would glow
when an electric current was passed
through them.
Swan worked along this line after
many others had done it. The En-
cyclopedia Britannica, which ought to

Hints and Dints

Sun sets tonight 4:46. Sun rises
tomorrow 6:43.So many people enjoy fooling them-
selves.The state game commission at Har-
risburg declared that over a million
rabbits were shot during the first
week of the hunting season. Meow!
Also scat!"Man wants but little here below,
He isn't hard to please.
But woman, bless her little heart
Wants everything she sees."Miss Flossiee Funnyface of Sheep-
hull says she just hates to have kisses
interrupted by conversation, either in
or out of the movies.In Pittsburgh 373 automobile own-
ers were found who had license tags
on their cars from other states be-
cause they could be had cheaper than
those in Pennsylvania. Nice patriots!"You're not always troubled with
poor light, are you?" said the com-
pany's inspector.
"Oh, no," said the patient custom-
er."Ah-ha, I thought so. It's only at
certain times, eh?"
"Yes. Only after dark."Easier money is predicted in the
near future. Well, the easier the bet-
ter!The new paper money is already
being counterfeited. It will be easier
to make that money in phony form
as it does not take so much paper and
ink and also less engraving.It is because the pen is mightier
than the bank account that we have
so many wardens.MY LAND
She is a rich and rare land;
O! she's a fresh and fair land;
She is dear and rare land—
This land of mine!No men than her's are braver;
Her women's hearts ne' waver;
I'd freely die to save her—
And think my lot divine.She's not a dull or cold land;
No! she's a warm and bold land;
O! she's a true and old land—
This native land of mine!
Could beauty ever guard her;
And virtue still reward her;
No foe would cross her border—
No friend within it pine!There is one thing that can be truly
said about some kinds of stocks and
that is they cannot go any lower
and still be worth anything.An escaped mink killed all the cats
in one night in a town in Wyoming.
Wonder how that mink would be on
stray dogs that run around at night
against the laws in this vicinity. We
might buy it if it could clean out the
dogs even in our neighborhood in a
week.Of course the customer isn't always
right!ALL MEN?
Dear our parents, dear our children,
our neighbors, our companions; but
all the affections of all men are bound
up in their own native land.
Cicero.Rome, Ga., reports a man drank
some new cider, and when he got
home the key-hole was gone.An office without a bobbed haired
girl looks out of date.Horses had the heaves and the
string halt, but they never skidded
and turned upside down in the bed
of the creek.The alleged Republicans in congress
who always line up with the Demo-
crats and anarchists were referred to
by a Republican senator as "Sons of
the Wild Jackasses." They resented
it and when he was asked about it
he said he was willing to amend thefor women's finger nails is the nat-
ural, while most men continue to keep
their finger nails in deep mourning.Dear Sir: Miss Key Board (at
piano) to Mr. Much Bored (reading).
Miss K-B: "These are my latest
'runs' in D minor."
Mr. M-B: "Well, I 'spose they
might be worse."
Miss K-B: "Now I'll play them
in C minor—Where do you like best
for me to play them?"
Mr. M-B: "I think you might
play them next time somewhere in
ASIA MINOR."
L. A. H.When young people get married they
become one, but it is difficult
to tell which won.In a rough and tumble fight it's
tough on the young man who put
his nose between the other fellow's
teeth and refuses to let go.Most men flatter themselves that
they are misunderstood when really
no one cares enough about them to go
to all that trouble.WRONG GUESSES
"Sorry to keep you waiting, old man,
but I've been setting a trap for my
wife."
"Good heavens! What do you sus-
pect?"
"A mouse in the pantry."According to a New York man
civilization is all wrong; so he plans
to take about 50 men and a like num-
ber of women to Africa, where they
will start a colony in some remote
jungle far from other human beings
and live in a primitive manner, after
the customs of the aborigines, which
to his mind is the life. It's a mighty
good thing that Africa has been pick-
ed as the destination of this non-stop
fight. We would suggest that before
starting all arrangements be made for
return tickets.Blonde: "What's the matter with
the leading lady?"
Brunette: "She only got nine
bouquets of flowers tonight."
"Good heavens, isn't that enough?"
"No, she paid for ten."When Meredith Myers, editor of the
Lewistown Sentinel, saw a wild turkey
in the road ahead of him, he reached
for his rifle, took aim and shot the
bird right through the head. That is
the way old Leather Stocking and
other pioneers used to shoot. A good
bit is expected of an editor these days.The trouble with spending money
for pleasure lots of times is that we
don't get it.Why does a man who does not be-
lieve in fairies expect his wife to be-
lieve in fairy stories?The hardest test comes not in mak-
ing money but in keeping it.A white cross means a fatal ac-
cident due to somebody's stupidity.
And in France they cover many acres.A colored preacher in Youngstown,
who was sentenced to a member of his
congregation and who was actually in
the death house in Columbus, has
been brought back to Youngstown and
will be given a new trial. Bet he will
tell you it's a grand and glorious feel-
ing to even get back to Youngstown.TODAY'S STORYTTE
The young man who was notorious
for his reckless driving was at home
in the country, when he received a
telephone call, and a woman's voice
asked if he intended to go motoring
that afternoon."No, not this afternoon," he replied.
"But why do you ask? Who are you?"
"That doesn't matter," came the
voice over the telephone. "It's only
that I wished to send my little girl
down town on an errand."Paris women are now tinting their
finger nails a deep emerald green.

Saturday To Be Poppy Day

Senior High School Girls To
Sell Poppies On Streets
For Legion

Saturday, November 16, is Poppy Day in New Castle. From seven in the morning until dark, lassies of the Senior High school will be on the streets of the city selling Flanders Poppies, under the auspices of the Perry S. Gaston Post, No. 343, American Legion.
Poppy Day has come to be an annual event in New Castle that is looked forward to. November brings Armistice Day, and it also brings Poppy Day and the two have become inseparable in the public mind. The men who made possible the Armistice are remembered by the Flanders Poppies.

Patterson In Charge
This year the general chairman of the Poppy Day drive is Attorney Clarence A. Patterson under whose direction the various committees and groups of girls will function. The headquarters for the Senior High school girls on Saturday will be the Legion Home on North Jefferson street.
For one day the Home will be theirs. A member of the Senior High school faculty will be in charge of the girls as chaperone and in order to get the girls to the various parts of the city a fleet of automobiles will be at the curb.
At meal time the girls will be brought back to the Legion Home and given warm meals. Sometime in the future, on a date to be decided by the girls themselves, the Legion will tender an Appreciation Ball, at which they will be the guests of honor.
Every coat label in the city should see a Flanders Poppy on Saturday. What price is paid for them is a matter entirely up to the wearer. The proceeds will be used for relief work in the Legion and it is hoped that a satisfactory sum will be secured as the result of Poppy Day.

Varied Program Marks November Meeting Of Aid

Pennsylvania Railroad Women
Gather Here From Entire
E. & A. Division

Thanksgiving and Christmas baskets will be sent to various members of the Women's Aid of the Erie and Ashtabula division, Pennsylvania railroad as a result of action taken at the regular November meeting of the aid at the local Y. W. C. A. on Tuesday afternoon.
Under the direction of Mrs. T. L. Bailey and members of her staff an interesting program was presented and enjoyed by the 40 members who came from all parts of the division. Mrs. H. T. Frushour led the program.
Following is the program in its entirety:
Trumpet solo by J. P. Weyrick, accompanied by Mrs. J. P. Weyrick.
Readings by Master Charles Campbell.
The dancing, by Miss Maxine Bolland, accompanied by Miss Nellie Brady.
Vocal solo, by George J. Jones. Mr. Jones was accompanied by his daughter.
Prior to adjournment the aid discussed tentative plans for the annual Christmas party which will be under Mrs. F. J. Perry and Mrs. T. L. Bailey's supervision.

State Patrolmen Return From Parade

Pennsylvania state highway patrolmen today stated that there have been no arrests or accidents reported to them during the past 24 hours. The detail stationed here returned yesterday from Beaver Falls where they had been on duty November 11 during the Armistice Day celebration.

The power that cheated Bonaparte in the Mediterranean and probably saved England from Napoleon was part of the same power that made the young sea captain go ashore to marry.

The Canadian girl would not have interfered with his career. On the contrary, she would have prevented his later marriage to a woman he did not love, and might have prevented his making a fool of himself with Emma Hamilton, wasting years of his life, besides spoiling hers.

Girl Fights Big Handicap

MANY a girl would give up in despair when she found herself snubbed in school and unpopular in college, but not so Mrs. Norma Kussel Jones of 1567 Cramer Street, Milwaukee, Wisconsin.

"When I was seventeen I went away to college," says Mrs. Jones. "Freda, my room-mate, was a very popular girl. Soon she asked to have her room changed. It seems I kept her awake at night, I slept so restlessly. No one knows how I suffered.

"One day one of my teachers found me sobbing. 'Why,' she said, 'sometimes sluggish circulation causes restless sleep. Why don't you try Nujol?'"

"In two weeks Nujol had begun clearing out the poisons in my body, my skin had a clear healthy

appearance, and everything looked brighter. 'What have you been doing to yourself?' asked my room-mate. 'You are a different girl.' The days and years that followed were filled with every activity and not long ago Freda was maid of honor at my wedding. That's what Nujol did for me!"

Such a simple way to health and happiness! Your doctor will tell you that Nujol contains no medicines or drugs—it is simply bodily lubrication—harmless, normal, and it works easily so you will be regular as clockwork.

You can get a bottle in sealed package at any drug store for what you would pay for two or three sodas.

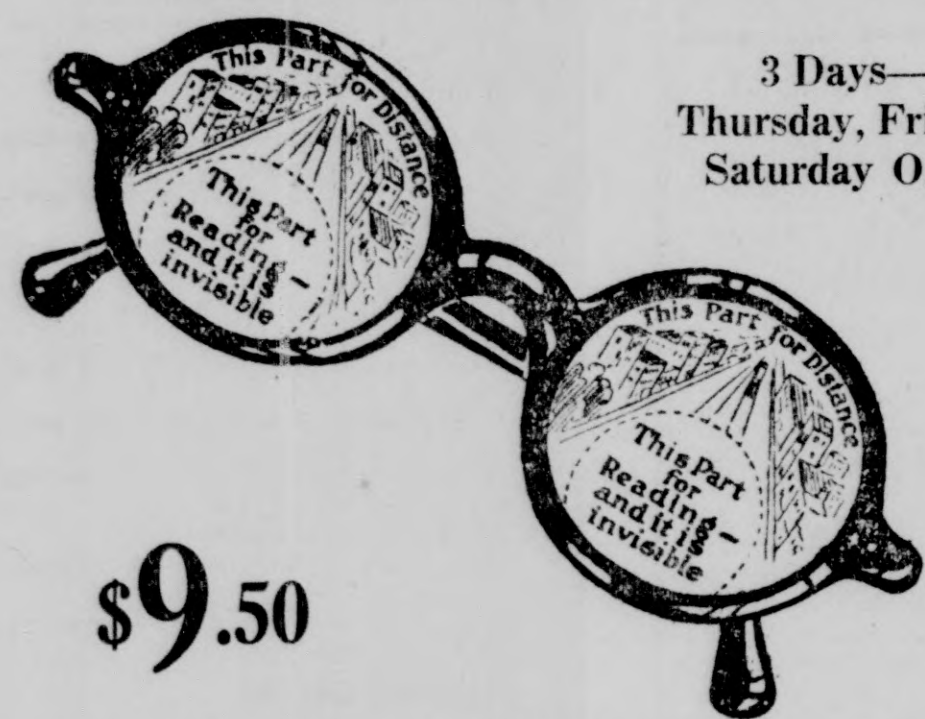

Get a bottle today and try it. If you are like most other people Nujol will make you brighter, happier, more able to succeed. Don't put off good health! Start being well this easy way, this very day.

STOCKS.

Not long ago the whole country was even more excited than usual about the stock market. Much money was lost some of which came back. But America isn't made or lost by the New York stock market. The great mass of people are at work. They are saving money, investing it, buying homes, bonds and some sound stocks. It has been a good year for business in most lines. Prospects for next year are even better. There are millions to whom the mad scramble of the stock markets with its paper profits and paper losses mean little.

BEING WISE.

It is said that wisdom denotes the pursuing of the best ends by the best means. That's a rare combination. Some are wise enough to know the best ends but they make a bad job of the means. Some are clever, have engaging personalities, know how to get what they want but choose the wrong ends. Most of us need to cultivate the habit of thinking quietly, making up our minds with as little prejudice as possible as to what wisdom really is and how to pursue it. Unfortunately some of the best work of the most able brains is devoted to ends that in the long run are not worth reaching.

COMMUNITY SPIRIT.

Community spirit is something that wears a glowing attractiveness in print or at the banquet table. It is a commendable spirit but it ought never to be too narrowly confined. The community spirit of one section of the city ought never to lose sight of the desirability of harmonious relations with all the other sections. The right kind of citizen in any special division of the city is the man or woman who sees and senses the city as a whole and who is big enough to demand everything for his own section. With that spirit oil cities should be governed by councilmen elected at large rather than by wards. It would promote larger vision.

Any man who lives a highly restricted life, geographically or spiritually, cannot be very happy.

McCulloch Given Oath As Senator

Man Who Will Take Late Senator Burton's Place Shown Into Office

(International News Service) WASHINGTON, Nov. 13.—Roscoe C. McCulloch, Republican, was sworn in as a member of the senate Tuesday succeeding the late Senator Theodore Burton, Republican.

His credentials were presented to Vice President Curtis by Senator Fess (R) of Ohio, the senior senator from Ohio who accompanied McCulloch up the aisle to receive the oath of office from Curtis.

Norristown Chief Has Fine Record

(International News Service) NORRISTOWN, Pa., Nov. 13.—If past performances count for anything, then George Bausewine, 60-year-old newly-elected chief of police of Norristown should have a successful term of office.

During the big league season in 1920 while serving as an umpire, Bausewine banished John J. McGraw, fiery little manager of the New York Giants from a game in Philadelphia.

Bausewine, for 30 years a member of the Philadelphia police force, will receive an annual salary of \$3,000.

**A BEETLE'S BEST FRIEND**

At first Peter did not answer Grass-Green's question, just kept on staring at the fellow's green suit. Then slowly, and in turn, he looked at the suits the other beetles were wearing. Staggs and Grass-Green watched him out of the corners of their eyes. Finally, and when he got good and ready, Peter replied:

"You beetles would make good soldiers because your coats are so thick nothing could hurt you. Just like coats of mail, they are."

"And pray tell, what are coats of mail?" demanded Staggs.

"Armor," answered Peter quickly. "In days of old, men used to ride to war and they wore steel hats on their heads and steel coats on their bodies so the spears of their enemies couldn't touch them at all."

Staggs chuckled. "Of course, we beetles don't know what all your words mean but we understand that when humans fight they take good care of themselves or they don't live to fight again. So do we! You're right! We beetles make good soldiers. We fight when we have to, but we don't have to, often. ted. But we are too tough for our enemies to eat and too hard shelled for them to injure so they let us alone!"

"Sure they do," piped up Lady-Bug, who hadn't spoken in a long while. "And our hard coats give us another reason to be thankful. They keep us from hurting ourselves on the sharp sticks and stones we run into as we dig our food out of the ground or turn up the earth to lay our eggs under some rock or root. Come to think of it, I guess a beetle's coat is his best friend."

Predict Watson To Get Confirmation In Senate Friday

Senator Reed, Pennsylvania, Leads Fight To Have Judge Watson Seated

(International News Service) WASHINGTON, Nov. 13.—Administration leaders were confident today they would win their fight for confirmation by the Senate of the nomination of Judge Albert Watson as federal judge in the middle Pennsylvania district.

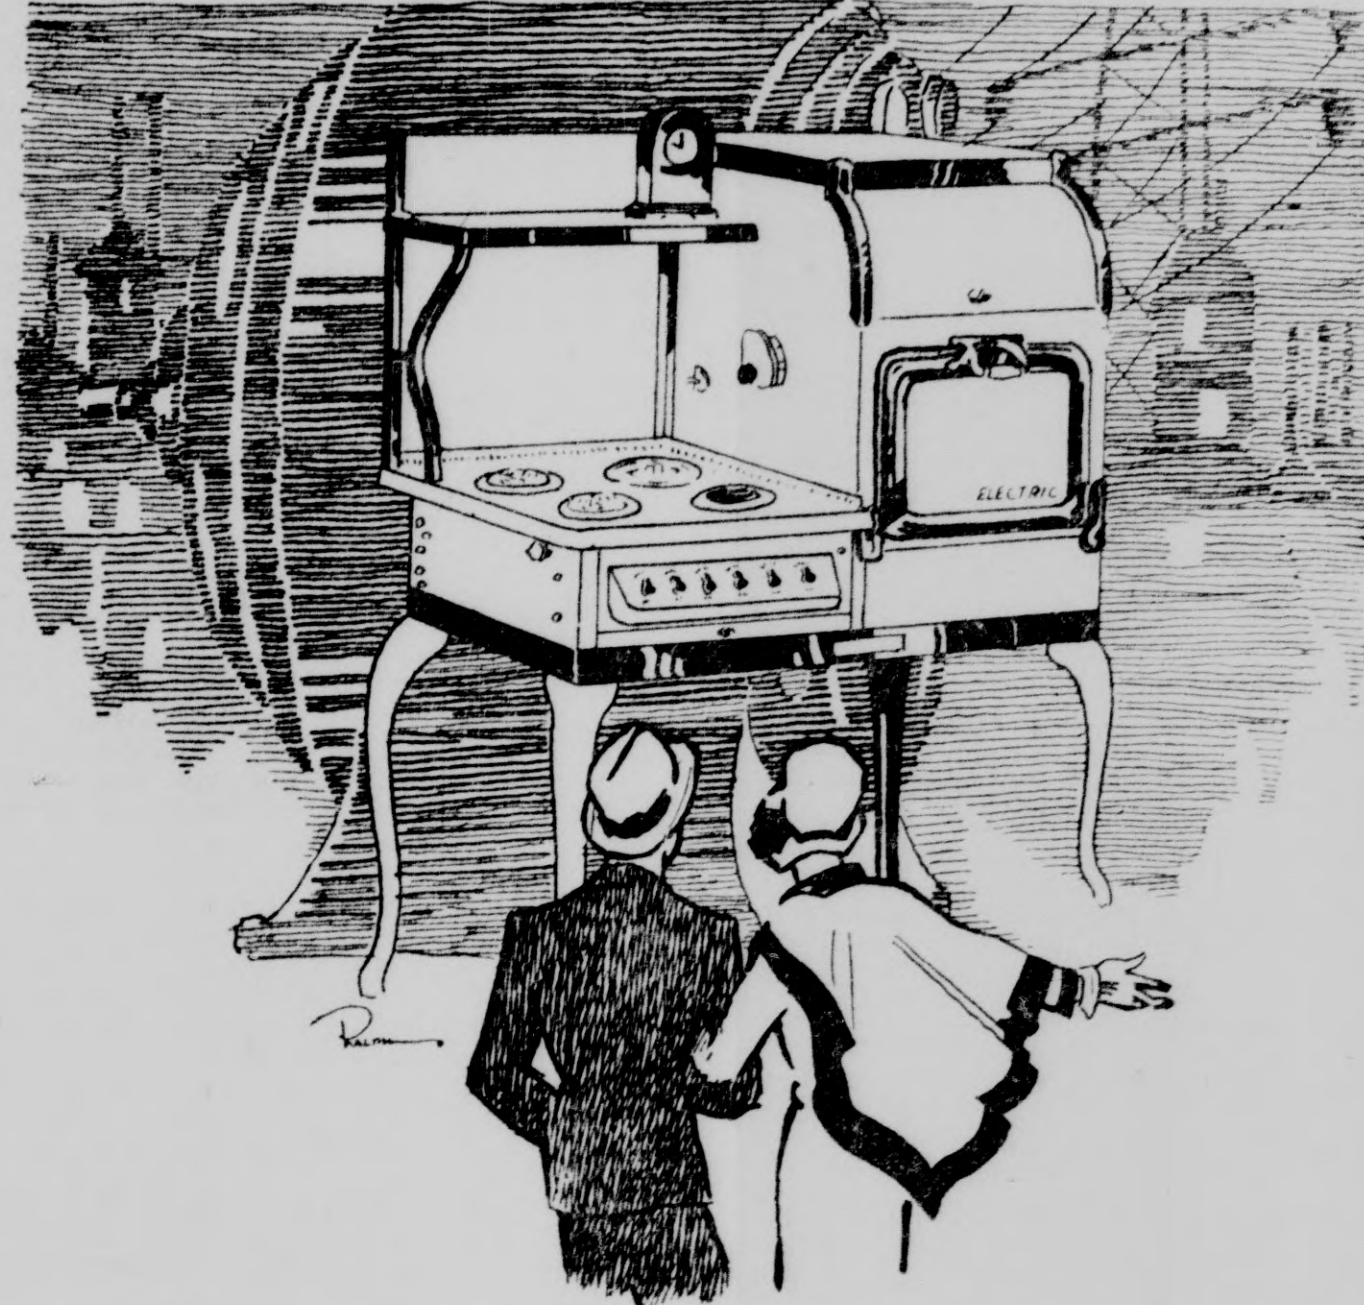

The nomination is slated for action on Friday afternoon, with Senator Reed (R) of Pennsylvania leading the fight for confirmation. Senators Norris (R) of Nebraska, Walsh (D) of Montana, and Blaine (R) of Wisconsin are expected to make a drive to prevent approval of President Hoover's appointment.

The charge has been raised that Watson's appointment was dictated by Gen. W. W. Atterbury, president of the Pennsylvania railroad, who is a Republican national committeeman.

Mid-West Section In Blizzard's Grip

(International News Service) OMAHA, Neb., Nov. 13.—A storm of blizzard proportions was raging over

several states on the eastern slope of the Rocky Mountains Tuesday.

Snow was falling over sections of Nebraska, Missouri and Kansas, and is believed to be the tail-end of the blizzard that swept down the mountains from Colorado yesterday.

Temperatures in the Rocky Mountain section were reported falling, with consequent danger to beet sugar crops still in the fields.

Communication lines were down in many sections of the storm belt.

SEVENTH WARD NEWS

Near Five Hundred
Persons Are Served
At Church Supper

Mahoning M. E. Has Annual
Supper; Other News Notes
Of Seventh Ward

Between four-hundred and fifty and five-hundred persons were served at the annual church supper on Tuesday evening in the Mahoning Methodist church dining room. Dinner tables were attractively decorated in the new novelty flowers made of colored rubber. These flowers had been made by Mrs. H. T. Evans. A chicken dinner was served.

In the upstairs of the church a bazaar was conducted. A nice sum was realized from the sale of tickets for the supper and the bazaar. Chairmen of the various committees in charge of the arrangements were as follows:

General chairman of the event, Mrs. A. G. Matthews and Mrs. Harry Gilmore.

Kitchen chairman, Mrs. J. A. Wadell and Mrs. J. H. McIlvenny.

Chairmen of the dining room, Mrs. H. S. Gillespie and Mrs. Frank Gibson.

Basket committee chairman, Mrs. Joseph Gilmore and Mrs. George Meyer.

Chairman of stage table, Mrs. J. M. Yates.

Bazaar committee, Mrs. R. C. Cather, Mrs. Anna Freed, Mrs. Henry T. Evans.

Coffee committee chairman, Mrs. A. T. Johnston.

Plans are underway for the card party to be had by the Mabel Wilson lodge number 567 to Brotherhood of Railroad Trainmen Thursday evening in the Knights of Malta hall. The card party will be following the meeting of the lodge which has been called for 7 o'clock. Euchre and five hundred will be in play.

Committee in charge of the arrangements for the card party, Mrs. George Fisher, Mrs. Grace Stokely and Mrs. Eva Arnold. Lunch will be served and the committee in charge comprises, Mrs. R. C. Solomon and Mrs. E. R. Peterson.

Society Meets Tuesday Evening
With Mrs. E. L. Vincent,
Liberty Street

Mrs. E. L. Vincent and Miss Mae Park were associate hostesses to the members of the M. E. G. auxiliary in the former's home on North Liberty street Tuesday evening. Thirteen members were present. During the evening their was a program and business meeting followed by a social hour.

Devotionals were in charge of Mrs. F. W. Guy. Roll call was answered in giving catechism 80 to 85. The missionary topics were Siam and Southern mountains and were discussed by Mrs. C. A. Patterson and Mrs. Manley Broadbush.

During the business meeting conducted it was decided that an amendment be made to the constitution of the society changing the meeting night from the first Tuesday to the second Tuesday evening of each month. Also a study book was selected to be studied by the society after the holidays. The society will send a Christmas box to Mr. and Mrs. Duff.

At the conclusion of the business meeting a social hour was enjoyed. At a seasonable hour delicious refreshments were served by the associate hostesses.

The next meeting of the society will be on the second Tuesday evening of December. This meeting will be in the form of a tureen dinner in the church dining room.

Elks Are Planning Special Christmas Charity Fund Event

Forty-Niners Masquerade Ball
And Frontier Fashion
Review Scheduled

Preparations for a unique event, something entirely different than anything heretofore presented to the public of New Castle are under way and the many members of the Elks Christmas charity fund have been assigned various duties to perform during the next four weeks, prior to the opening of the "Forty-Niners" masquerade ball and frontier fashion review which will be staged in the Elks Home the nights of December 13 and 19.

In connection with this event two interesting contests will be conducted, namely, the great Clara Bow "It" contest, open to any lady possessed with any degree of personality in New Castle or vicinity. The first prize in this contest will be a beautiful \$250 diamond ring; second prize, \$150 diamond ring; third prize, \$75 wrist watch. A consolation prize will be awarded every candidate staying in the contest until the finish. Fill out the coupon in today's paper and mail to the Elks 49ers hall headquarters, Elks Home.

The second contest, to be started today, will be known as the "Sheriff's" election—for a "Sheriff" will be needed to act as floor manager for the 49ers ball and a voting contest will

be waged to decide which member of the Elks has the greatest "He-Man" qualifications.

The winner in the Sheriff's race will receive at \$250 Elks diamond emblem ring; second prize, \$150 diamond emblem pin; third prize, \$75 diamond emblem pin.

Elaborate plans for the staging of the 49ers ball will be brought to maturity by the opening night of the unique affair Wednesday night, Dec. 18. A celebrated musical organization has been secured and several unusual stunts that will no doubt please everyone will be on the program each night of the affair.

MORAVIA STOP

Mr. and Mrs. James Hogue had as their guests Sunday, Mr. and Mrs. Milton Hogue, Mr. and Mrs. Clarence Fair and family of Ellwood City, Mrs. John McHattie and children, Mr. and Mrs. Alfred Kennedy and children and Mr. and Mrs. Walter Hogue, all of the Ellwood-New Castle road.

Mr. and Mrs. Reed Smith and family moved Tuesday from the C. M. Allen house to Bakerstown, Pa., where Mr. Smith is employed.

Everett Young is making quite extensive additions to his residence.

Mr. and Mrs. Ray Joseph of Ellwood City visited Mrs. Joseph's parents, Mr. and Mrs. Ernest Locke, Tuesday.

Mr. and Mrs. Clarence McQuiston and daughter Jean and Mrs. Alice Mc-

Quiston, all of Ellwood, visited Mr. and Mrs. T. L. Gilbert Sunday.

Mrs. I. A. Lytle and family and Mr. and Mrs. Theodore Watson, all of East New Castle, were guests of Mr. and Mrs. Lester Wood Friday evening.

Miss Louise Wiley returned home last Thursday from a trip through Virginia and other southern points. She reports a wonderful time. She was accompanied by her sister Margery of the Rochester hospital.

Mrs. Norman Hogue of Ellwood was the guest of Mr. and Mrs. Roy Campbell Monday.

Miss Sara Renick spent the week-end with her parents at Slippery Rock.

Mrs. Ed Johnston spent a day last week in New Castle with Rev. and Mrs. Charles Davis at the home of Harry Dean.

Mr. and Mrs. W. H. Grine and son Arthur motored to Harmony Sunday and visited Grandfather Grine.

Mr. and Mrs. Clarence Ashton and daughter Phyllis of Ellwood City visited her parents, Mr. and Mrs. Les Woods, Friday.

Mr. and Mrs. Bert Wiley are preparing to go south for the winter, hoping to benefit Mr. Wiley's health. They expect to leave in about two weeks for Florida. St. Cloud will be their first stop. Dale Kimmel, a son-in-law, will drive Mr. Wiley's car through and return by train. Miss Louise will accompany her parents.

Mr. and Mrs. Dale Kimmel will move into the homestead. Mr. Wiley has been in poor health for a long time and his doctors recommend a warmer climate.

Annual Safety Meeting Held By Bell Employees

Certificates Presented To Men Who Have Completed Red Cross Instructors Course

PLANS MADE FOR NO-ACCIDENT WEEK

Plans were made for the annual observance of No-Accident week, by employees of the plant department of the Bell Telephone Company at their annual safety rally, which was held in the Y. M. C. A. last evening, with 80 employees present.

District Plant Superintendent, Charles A. Bolen presided at the meeting, which was featured by the presentation of special instructors certificates from the National Red Cross to employees of the plant department of the Bell Company, who recently completed this course under the direction of Dr. E. M. Parlette.

These certificates had been suitably framed by the company, and presented by J. B. Wickline, Division Safety Supervisor. The men receiving them were: L. W. Hill, Ralph M. Nevel, W. C. Duncan, Philip W. Dickson, R. C. McCoy, Ralph F. Davis, R. H. Alexander, and John Templeton.

The month of November is being observed as National Safety week and will culminate in the observance of No-Accident week during the last week of the month. This safety movement is sponsored by the National Safety Council, each industrial plant in the Western Pennsylvania district which is a member of the council cooperating.

Safety is strongly stressed by the Bell Telephone Co., and the results are reflected in the small number of lost time accidents, comparing the current records with those of years ago.

During the year of 1928, there were but 22 lost time accidents reported by the company in Pennsylvania, while in 1914, there were 275, some of them of a serious nature.

The Western Division, of which New Castle is a part, went 85 days without a lost time accident, the record being broken last Saturday, when

another district of the division was the offender. The New Castle district has not had a lost time accident since May 8, a record which the local men are justly proud.

During the month of November, a program along safety lines will be carried out each week, leading up to No-Accident week, starting November 24. This program will include a review of safety courses, comparison of safety records and practices with those of other years, etc.

Joe Gardner Fails To Return To Jail

Finally Ends In The New Castle Hospital Because Of Condition

The police authorities were asked by M. B. Hogue, county poor director, and other county authorities, to be on the lookout for Joe Gardner last night.

According to the county authorities, Joe had been permitted by the court to accompany Hogue to Dixmont with a permit, and on his return trip was let out at a point convenient to get his supper before returning to the county jail.

He failed to return to the jail and the search was on. When Officers Kennedy and Thompson answered a call to 29 South Jefferson street, they were not greatly surprised to find Gardner and also James O'Neil. They had been drinking and Gardner had stopped and torn the shirt of Fred Farone, 208 South Jefferson street, who was on his way home. Farone had hit Gardner and their argument had been the cause of the call.

Both men were arrested, Gardner being charged with being drunk and disorderly and O'Neil with being drunk. During the night Gardner complained of the condition of one of his legs, his knee swelling up considerably, and he was removed to the New Castle hospital. O'Neil is still being held at the jail. The cases of both men will be disposed of later.

Parent-Teachers Will Have Dinner

At 6:30 Thursday evening members of the Parent-Teachers Association will gather in the cafeteria of the George Washington junior high school for a dinner. A 75c menu will be served. The dinner is for fathers as well as mothers.

Chest Total Is Increased Today

Slightly Over \$6,000 Now Needed To Reach Goal Of \$69,500 Set As Objective

Additional subscriptions reported by workers in the Community Chest campaign today brought the total amount subscribed to date to \$63,038.32, leaving \$6,462.18 yet to be secured for the goal of the chest this year is reached.

Many of the workers have had little time to see their new prospects, cards for which were distributed at the meeting held Monday evening, and today's report was not so heavy as a result.

A new bunch of cards was distributed to workers today and additional team members will be secured to canvass these people between now and next Tuesday, which is the date of the final report on the cards. If the needed amount is not secured by that time, other means will be adopted to secure the remaining amount.

This will give the various teams almost a week in which to complete their task, and it is hoped to secure a good report at this final meeting of the team workers.

Work Is Started On New Repeater Station By Haug

Steam Shovel Will Be Put In Place This Week On Excavation Work

Contractor L. A. Haug, has already started work on the construction of the new repeater station to be erected on the New Bedford road by the American Telephone and Telegraph Co., and by the first of the week, the excavation work will be well under way.

Materials are being moved to the job and all preparations are being made to rush the job to completion as quickly as possible. It is expected to have a steam shovel at the site of the new building by the last of the week, when the excavation work will be commenced.

Captures Eight In Stolen Auto

Youngstown Lads On Joy Ride Come To Grief In New Bedford

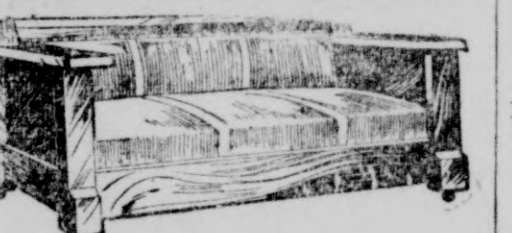

Joy ride of eight Youngstown youths, ranging in age from 9 to 14 years, in a stolen Willys-Knight touring car, which they had taken from the streets of Youngstown this morning, ended about noon today, when Constable Robert McClenahan of New Bedford, captured boys, machine and all, near New Bedford, as they were enroute back toward Youngstown. They had been in New Castle twice and were returning home for the second time, when arrested.

Constable McClenahan notified the Youngstown authorities and held the boys until they came and secured the boys and machine. The boys were inclined to blame their troubles on each other. None would admit the responsibility themselves. One of the boys was nine years of age, two were seven years of age, four thirteen years of age and one fourteen years of age.

Mayor May Not Ask More Police

Probabilities Are That Public Safety Department Will Ask New Apparatus

It is not probable that Mayor William H. Gillespie will ask colleagues to add men to the police department when council sits down and compiles the 1930 budget. At present there are no vacancies on the city police force. It is not known if Councilman Davies, head of the safety department, who retires from office in January, will ask for an increase in men. However, the chief of the fire department, Charles Lynn, has stated it is said, that equipment in several fire houses is old and unfit for efficient service. It is probable that when the recommendations are reported Mr. Davies will present a request of Lynn for new equipment.

Senate Has Too Much Heat And Not Enough Light Says New Hampshire Senator

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent
WASHINGTON, Nov. 13.—"There is one trouble with the senate just now—there is too much heat and not enough light."

With this characteristic quip, Senator George H. Moses (R) of New Hampshire, author of the famous

"jackass" appellation for Republican insurgents, returned to the Capitol today and announced an early meeting of the Republican senatorial campaign committee to discuss future handling of the ever-widening breach between the Eastern industrialist and Western agriculturist factions of the Republican party. He added that he would ask the committee to elect a treasurer, since Otto H. Kahn, New York capitalist, has declined the post.

Profanity By Girls Classed As Evil

(International News Service)
JACKSONVILLE, Nov. 13.—The use of profanity among the members of the younger generation especially among "young girls" at football

games" can be classed as one of the leading "present day evils" according to the Jacksonville Baptist association.

The association in a recent meeting here adopted a resolution deploring "flaming youths" use of profanity.

Several spirited addresses were also made against baby medicines advertised in the newspapers and containing an amount of alcohol.

CHICAGO, Ill., Nov. 13.—City-reared youngsters may now marvel over the strange looking animal known as—the cow. A pure bred Holstein cow and calf were given quarters in the animal exhibit at Lincoln Park zoo for the benefit of children to whom they are as strange as the mountain lion and the rhinoceros. The newcomers were shipped from the stock farm of Mrs. Ruth Hanna McCormick near Byron, Ill.

Anniversary Is Observed

Kiwanians Celebrate Tenth
Anniversary Of Found-
ing Of Local Club

AFFAIR IS STAGED AT GRANGE HALL

Liberty grange on the Harlansburg road was the scene of gay festivities last night when near to 100 persons, the greater part of whom were New Castle Kiwanians, gathered with their wives and friends to formally celebrate the 10th anniversary of the organization of their club.

Dinner was served in the dining room by the ladies of the grange at 7 o'clock. It was a delicious one with chicken and all the trimmings.

When the dinner had been concluded the group adjourned to the grange auditorium. For the evening's entertainment elaborate preparations had been made. H. L. Marvin was master of ceremonies for the evening in the absence of James K. Love, who was scheduled to lead the program. President C. B. Phillips acted as temporary leader of the program while the customary business of the club was transacted.

When the necessary business had been considered, Chairman Marvin assumed charge and announced the first act. He introduced Rajah Thomas W. Dickey and his trained elephant, Fatima, the forepart of whom consisted of none other than R. L. Meermans and the rear, Rev. Samuel L. Maxwell himself.

Rajah Dickey's act created a storm of laughter. He put such pertinent questions to the beast as how old is President Phillips? or what kind of a sentence would Hildebrand deal to someone caught with a little flask on his hip?

Kiwanian Harry Elwell followed Dickey with a blackface comedian act for which he got a heavy applause. A broadcasting act by Thomas Blake and Rev. Maxwell came next.

Unexpected developments occurred and Robert L. Wallace was summoned to the platform to fill the bill. Wallace spoke impromptu on generalities and mentioned the anniversary.

Prizes were drawn for the ladies next and Mrs. R. L. Hildebrand, Mrs. William Hanna, Mrs. C. B. Phillips, Mrs. J. A. Chambers and others won gifts.

Featuring the program were selections rendered by a quartet, 100 per

LOCAL WOMEN AT CONFERENCE

Annual Meeting Of Women's
Home Missionary Societies
In Session At Warren

Mrs. C. G. Farr, Mrs. J. L. Stratton, Mrs. I. L. Cox, Mrs. J. E. Drake, Mrs. C. N. Grace and Mrs. Carl S. Hart were among the local delegates from the Methodist churches of the city to attend the forty eighth annual meeting of the Woman's Home Missionary society of the Erie conference being held in the First Methodist church of Warren, Pa., today, Thursday and Friday.

The meeting opened this morning at 10 o'clock with a meeting of the board of directors of the Ruth M. Smith Children's home at 3 o'clock this afternoon the executive board held their business meeting. At 7:30 this evening there will be an organ recital followed by a reception to the delegates. The Thursday meetings will open at 9 a. m. and will be followed by a dinner at noon and the after noon session will begin at 1:30 at which time a number of the local ladies will take part in the program.

The main address of the conference will be Thursday night when Mrs. May Leonard Woodruff, the national corresponding secretary, will speak.

Friday morning the session will begin at 9 a. m. and Mrs. Belle English, wife of the former pastor of Croton M. E. church, Mrs. J. L. Stratton, Mrs. C. M. Grace, Mrs. J. L. Drake, Mrs. Carl S. Hart will have part in the program.

The conference closes Friday afternoon and on this program the deaconesses Misses Nicklin, Weisz and Schnackel will be heard.

FRED C. W. PARKER,
International Secretary, Chicago.

Because of the anniversary function last evening no meeting of the club was held at noon today, as is customary.

Police Do Not Like Action On "Pensions"

Members of the city police department are not pleased over the death of the proposed pension bill for police and firemen which occurred recently in city council session here.

The bill was one that affected local police and firemen and its death was the outcome of action by the state legislature at their last session. The legislature passed a law by which certain moneys derived from foreign fire insurance passes on to volunteer firemen.

It is said that this is the outcome of eastern Pennsylvania action as in some cities volunteer firemen not only purchase the equipment but own the buildings in which the equipment is stored. This situation does not exist here.

There is a state law, it is said, that provides for police pensions and it is probable that some movement will be made to have some kind of a measure adopted here, even though police may have to subscribe to the fund.

Compile Budget Here Next Month

Approximately a month from the present time remains until the present city council sets down to compile the appropriations for 1930. Each November sessions commence making up reports of what may be needed the following year.

Owing to a change in council it is probable that the present administration will invite the councilmen-elect, Louis Genkinger and Stanley Treser to express their desires when the budget is to be compiled.

Abandoned Auto In Washington Township

Ed. Holmes, of Washington township, reported to the police this morning that there was a new Ford Sedan Pennsylvania license D6-756 at the Jesse Carr property beyond East Brook, from which he had seen three hunters get out on Tuesday morning. The car was still there this morning, so he thought it advisable to come in and make a report. On being looked up, it was found that the license plates on the car are listed in the name of J. L. Bowie, of Edgewood avenue, Grove City, Pa. It is not known whether this is a stolen car or not, but the police are making every effort to get in touch with the owner.

ABANDONED CAR IS FOUND TO BE STOLEN

It was reported to the police here today that there was an abandoned car in front of 125 West Grant avenue. On investigation, the police authorities found that the car had been stolen from Youngstown, O., and belonged to M. R. Geri of that place. The machine was placed in a local garage pending the arrival of the owner.

OFFICER LOCATES MISSING AUTOMOBILE

Motorcycle Officer Criswell late last night located the automobile of Charles B. Phillips of 107 West Garfield avenue, which had been stolen earlier in the evening. The officer found it near the top of the Paper Mill hill.

Stock Market Prices Are Lowest In 2 Years

By W. S. COUSINS
International News Service Financial
Editor

NEW YORK, Nov. 13.—Except for a brief rally in the forenoon, when a few of the leading industrial and railroad shares made an effort toward off repeated waves of "distress" selling, liquidation and short selling, the stock market displayed weakness today, with the lowest prices in two years recorded for hundred or more of the active shares.

Failure of the leaders to "hold" today after the steady downward movements of the last few days, was extremely discouraging to the bulls, patiently waiting for a turn in the tide. The selling ranks have been swelled in the last day or two by the dumping in of stocks bought by "bargain" hunters' after the first heavy break in the market.

The downward procession carried with it the best of the blue chips and dividend-paying shares with long and successful records as money earners and profit-sharers. United States Steel fell away to 151 3/4, the lowest price of the year, and numerous popular industrials sold at the lowest prices of the past two to three years.

Weakness in the copper stocks accompanied new rumors of a cut in prices of the red metal. Investors' trusts were heavy sellers of these

stocks. Anaconda broke to 74 and Kennecott sold below 50 for the first time, a loss of 7 points.

American Can, the so-called pet of the First National bank crowd, was also under fire and dropped off 7 points to 89.

Instead of a shrinkage in the volume of trading on the big board as expected, the short session of that market was packed to the limit with selling of the most urgent sort, a volume of 7,000,000 shares was rolled up before the end of the third hour and the ticker was more than an hour late at the close. Bullish industrial and business reports flashed to the financial district were without effect in drying up the flood of liquidation and short selling pouring into the market.

General Electric broke 15 points to 170, completing a loss of 227 points in less than two months. Steel common sold at 150, bringing its total shrinkage from the high of the year to 112 points.

Dispatches from Washington indicated in the opinion of government leaders no emergency existed and no special action to rally the stock market was contemplated. Until the market slump runs its course, it was felt nothing could be done. Governors of the stock exchange, in an effort to place responsibility for the persistent short selling of stocks, directed another questionnaire to members demanding information relative to borrowers of stock in recent transactions.

Alleged Slayer Of State Policeman Will Face Trial

December 2 Is Date Set For
Trial Of Slayer Following
Delay Granted
Today

(International News Service)
PITTSBURGH, Nov. 13.—Salvatore Accorsi, alleged slayer of a state policeman two years ago last August, will be brought to trial here in criminal court December 2, according to the latest announcement of the case.

Monday, Nov. 18, had been set as the date for trial, but when Accorsi's counsel asked for more time to prepare his case Judge Harry H. Rowland, presiding in criminal court, granted the delay.

Accorsi is accused of having fatally shot State Trooper John Downey at Acmetonia during efforts on the part of police to break up a Sacco-Vanzetti protest meeting.

Accorsi was trailed for a year and a half before state troopers finally caused his arrest and he was placed in the jail here after a legal battle in New York over extradition proceedings.

Several Groups Work On A. T. & T. Lines

At the present time there are three groups of workmen of the American Telephone & Telegraph company hastening the work on the New Castle-Meadville and Meadville-Erie main lines which are now being installed.

It is desired to have all this work completed before real cold weather sets in and it is only by increasing the number of workmen that this can be accomplished in the time desired.

Mr. and Mrs. Charles Gardner of Wilkensburg have returned home after spending the week-end with Mr. and Mrs. N. L. Gardner of Neshannock boulevard.

Undergoes Minor Operation At
New Castle Hospital
Today

Henry Firpo, popular middleweight boxer of Louisville and who is manager by Jimmy Dunn, Cleveland and a former New Castle boy today underwent a minor operation at the New Castle hospital.

When Firpo fought Jack McKenna at Cleveland one of Jack's blows caused a swelling over his left eye. Firpo fought Harry Fuller here while his eye was swollen and later took on Johnny Burns of Chicago at the bowl. His eye was swollen shut in the sixth round.

Dunn took his middleweight champion prospect to a local doctor and the frontal bone was discovered to be fractured. The doctor advised a minor operation and Dunn took him to the New Castle hospital today where he underwent the operation.

This is the second boxer in Dunn's stable who has undergone an operation at the New Castle hospital. Dick O'Leary, featherweight, had an ailment above one of his eyes and Dunn brought him here for treatment and he is now fighting in good style.

Sister Of Former Kaiser Is Dead In Home In Germany

Frau Victoria Zoubkoff, Disgraced Princess Dies Of Lung Infection

(International News Service)
BONN, Germany, Nov. 13.—Frau Victoria Zoubkoff, sister of the former Kaiser Wilhelm, whose marriage to a commoner took her from the heights of aristocratic glory to penury and disgrace, died in a Prussian hospital here today from infection of the lungs.

Frau Zoubkoff lost her imposing title of Princess Victoria von Schamburg-Lippe when she married Alexander Zoubkoff, a Russian emigre, several years ago. He is 30 years younger than she.

Her was the second death within the ranks of the Hohenzollern family within two weeks. Her cousin, Prince Eugene von Schamburg-Lippe, was killed 10 days ago when a German passenger airplane crashed in flames near Caterham, Surrey, England. Prince Eugene, assistant pilot of the plane, died from injuries received in the crash, which took the lives of six others.

MUST HAVE STICKER OR STAND ARREST

JEANNETTE, Pa., Nov. 13.—Burgess E. Katz received a letter from the secretary of the commonwealth requesting him to have the local police assist in enforcing the automobile law relating to the inspection of cars. The time limit for the inspection of cars expires November 15 and, according to the latest reports from Harrisburg, several hundred thousand cars in the state have not been inspected.

After November 15 drivers of cars that do not display an inspection sticker will be subject to arrest and a fine of \$10 or imprisonment for five days.

Burgess Katz has instructed the police to arrest the drivers of any car not displaying a sticker.

PLAY REVIEWER STRIKES BACK

George Jean Nathan—Mencken's friend—is not popular with New York theatrical producers. In his work as Drammer Dammer, when George thinks a play lacks a couple of dimensions, or that it's wild, weird, stupid or viciously nasty, he has a disconcerting habit of saying so, irrespective of how eminent a play may be the play's sponsor.

In New York, when a producer doesn't like the kind of necktie a play wears, or the brand of English he slings in his criticisms, he gets rid of him by the simple expedient of barring him from the theater. Of course the newspaper publishers could end that sort of tyranny overnight by standing together and closing their advertising columns to a producer who barred any newspaper critic. The theater men needs the newspapers more than the newspapers need the theater men. But the Ink Boys are notoriously timid when it comes to asserting their prerogatives, and peevish producers take advantage of that sort of timidity.

Nathan's method of retaliation, when he has been banned from a showhouse, is "officially" to delete the name of the offending producer from the circle of his aesthetic concern. Three of them, at present, are outside the pale, sitting on the doorstep of George's mind.

Old Schoolday Slates Not Used In Schools Of Today

Days of dunce caps and hand slates are gone, past and buried, the writer finds, after an investigation. Modern children no longer carry heavy slates to school with sponges dangling from long cords, suspended from a corner of the slate prospective. Michael Angeles must practice their drawing of inns and crazy faces with paper and pencil.

Nor have they been used in the city schools for the last 15 years according to Miss Martha Keister, teacher at Thaddeus Stevens school. Aside from economic reasons, there are also sanitary reasons for the abolishing of slates from schools. It took quite a bit of paraphernalia, including sponges, etc., to keep slates clean. If by chance this was lacking—well, slates had to be washed or licked off anyway and resourceful children usually found a

way. This was not always according to "Hygiene" or what have you. At any rate their methods did not exactly conduce to the extermination of germs.

Then the use of paper and pencil is more efficient from the view point of elimination of unnecessary noise and confusion according to Miss Keister. Most of us remember the grating of slate pencils and the noise slates entailed.

Not so long ago a local physician was heard to say that the grating sound of slate pencils annoyed him so much when he was a boy in grade school that he was unable to learn the multiplication tables until in high school.

However black boards, on the walls of school rooms are still in use especially in arithmetic classes.

The use of these boards show no sign of decreasing, says Miss Keister.

DRUGS EXCITE THE KIDNEYS, DRINK WATER

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

Crash Hurls Shoe Through Window

(International News Service)
DUBOIS, Pa., Nov. 13.—When a passing automobile side-swiped James Hawkins as he walked across the street here, it failed to injure him, but it broke a plate glass window in a nearby store.

The force of the blow jerked Hawkins' leg in such a manner that his low-cut shoe was catapulted from his foot through a merchant's window, landing between a box of candy and a candle.

Nothing else in the window display was disturbed, even though the shoe did break a plate glass window in getting there.

HIGH BLOOD PRESSURE

Doctor's Discovery Reduces It Quickly and Dips Spells Disappear

Thousands who have dizzy spells, sleeplessness, nervousness, shortness of breath, pains in the head and impaired energy have been told by physicians or insurance examiners that they have high blood pressure. The serious results are well enough known to check it at once. High blood pressure caused by overtaxing the heart often brings on serious conditions. Norma reduces high blood pressure. Often one bottle will do it. Many have so testified. It is a doctor's prescription and is much used by women at the changing time of life who usually have blood pressure above normal. Ask for Norma at any drug store.

Will Debate Age Of First Church

(International News Service)
UNIONTOWN, Pa., Nov. 13. — The history of early churches in Pennsylvania is to be carefully studied in preparation for a debate on the question of which of two claimant churches is the oldest house of wor-

ship west of the Allegheny mountains.
Rev. Martin Luther Peter, pastor of the St. John's Lutheran church of German township, Fayette county, has challenged the claim of the Zion Lutheran church in Westmoreland county that it is the oldest congregation west of the Alleghenies.
Rev. Peter has offered to debate his contention but an opponent has not yet been found.

Try Magnesia for Stomach Trouble

To Neutralize Acidity And Fermentation. Prevents Indigestion, Sour Gassy Stomach.

People who suffer from indigestion usually have tried pepsin, charcoal, soda and various digestive aids and get little more than slight temporary relief—sometimes not even that.

But before giving up to chronic dyspepsia, just try the effect of a little Bisurated Magnesia—not the ordinary commercial carbonate, citrate or milk, but pure Bisurated Magnesia, which you can obtain from any druggist in either powder or tablet form.

Take a teaspoonful of the powder or four tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat. You can enjoy your meals without a fear of indigestion.

QUIT HER WORK: KONJOLA GAVE QUICK RELIEF

Lady Tells How New And Different
Medicine Proved Its
Powers.

MRS. CLARENCE TRUMP

"For two years I suffered tortures with indigestion, liver and kidney troubles and rheumatism," said Mrs. Clarence Trump, 230 East Raspberry street, Bethlehem, Pa. "My stomach was in such a terrible condition that I was afraid to eat. Constipation added to my misery, and no wonder rheumatism developed. Four months ago the rheumatism became so severe that I had to give up my work.
"In just four weeks Konjola proved itself the master of all my ills. I am in fine health today, and back to work, thanks to this amazing medicine. Konjola helped me in every way. I do not have to get up nights, have a fine appetite, and am enjoying health that I feared I never would have again."
Konjola is sold in New Castle, Pa. at Love & Megown drug store, and by all the best druggists in all towns throughout this entire section.

New Presiding Bishop Will Be Selected By Episcopalians Today

Presiding Bishop To Take Post Left Vacant By Late Bishop John Murray To Be Chosen

Episcopal Churchmen Of Entire World Watch Eagerly As Selection Commences

(International News Service) WASHINGTON, Nov. 13.—High churchmen of the Episcopal Church of the United States met here today in the Gothic Chapel of Bethlehem Cathedral to elect a new presiding bishop to succeed Presiding Bishop John Gardner Murray, of Baltimore, who died in Atlantic City on October 3.

The office is the highest of the church and compares in rank with that of the Archbishop of Canterbury, head of the Church of England. Bishop Charles Fiske, head of the central diocese of New York, is among those warmly supported for the post.

The new presiding bishop, who will be the second head of the American church to be elected to the office, will also fill the post of president of the National Council, the executive and administrative head of the church, and will serve the unexpired two years of Bishop Murray's term. An election of a presiding bishop for the full term of six years will be held at the general convention of the Episcopal Church in Denver in September 1931.

Interest Manifested
Keen interest in the result of today's election is being manifested in

Great Britain, as well as in Canada, India, South Africa, Australia, China and Japan and other lands where the Anglican church of which the American church is an independent branch, operates.

Today's election is being conducted in an atmosphere savoring of old world customs. It is down a flight of half a dozen steps that the bishops proceeded into a stone corridor which leads into Bethlehem Chapel. The bishops are grouped in open arm chairs before the altar that stands on the spot where Theodore Roosevelt, twenty-three years ago, laid the corner stone of the cathedral. Nearby lie the bodies of Woodrow Wilson, Admiral Dewey, Melville Stone and Henry Yates Satterlee, first bishop of Washington and projector of the cathedral.

Simple proceedings will mark the election. With the doors of the chapel closed and only the bishops present, nominations will be made from the floor, following which slips of paper will be distributed upon which the bishops will indicate their choice. After each indicative ballot the votes will be destroyed and balloting will continue until one of the bishops placed in nomination has received the necessary constitutional majority of 68 votes.

ELLWOOD CITY REPORTS THEFT

Chief of Police Morrison of Ellwood City on Tuesday asked the authorities of this city to be on the lookout for a Buick four door sedan which had been stolen from the streets of that city earlier in the day. The machine taken was a 1924 model and bore Pennsylvania license 845-390.

AGED TEACHER SAVED IN FIRE

Woman, Trapped In Home, At Youngstown, Says She's Lucky

YOUNGSTOWN, O., Nov. 13.—Narrowly escaping death in a fire and a well-earned, an 89-year-old retired school teacher and a workman here late Tuesday were recovering from their experiences.

Firemen rescued the aged woman, Miss Isabel Swanston, through a second-story window, when she was trapped in a smoke-filled room at her home at 72 S. Hazelwood street, early Tuesday.

"I'll tell you, I'm lucky to be alive today," Miss Swanston said to newspaper men last night. "I thought my time had come when the smoke filled the room."

William Taraskivich, 39, who was buried for four hours under rocks and sand late Monday night when a fifteen-foot well at East Lewiston, in which he was working, caved in, was swathed in bandages at the Youngstown Hospital Tuesday. A ladder was used to save his life.

"I'm what you call a lucky guy," he declared Tuesday night. "I said my prayers and told myself goodby when the rocks fell in on me."

Taraskivich was extricated by workmen, who dug frantically in the mud and rocks as the buried man directed the rescue in muffled shouts. He was fixing pipes in the well when the sides collapsed.

Miss Swanston taught school for 35 years in Salem, Alliance and Boardman.

Leadership Training Course In City Opens

Dr. Ralph Heim Of Thiel College Gives First Of Lectures To Class

The initial meeting of the course in Leadership Training for workers in Sunday schools of the city was held last night in St. John's Lutheran church with about 75 present, although a great many more can be accommodated.

Dr. Ralph Heim of Thiel college has been chosen as the instructor for this course which will continue for six consecutive weeks with two lectures being presented each Tuesday evening.

Last night Dr. Heim gave a thorough review of religious training from the earliest date to the present time touching on all religious development and modern improvements from the time of Robert Raikes in Gloucester, England in 1780, when he began a school in the mill works at that place and taught the children, not only religion but reading and writing as well.

In speaking of the development of Sunday school attendance in the world Dr. Heim gave figures showing that only one person out of 50 in the world is in the church schools and in the United States only one-third of the population between the ages of 4 and 24 is affiliated with the Sunday school thus showing there is plenty of room for improvement right at home.

The aims in religious education were then taken up and discussed in an original way by Dr. Heim and the improvements in methods and equipment were spoken of.

Themes and subject matter for the schools will be discussed in the following meetings.

"Study of the Pupil" will be the subject of next week's discourse and it is hoped there will be an additional number of workers from the different local churches present for the rest of the series.

Granite Block Falls To Street, Two Are Injured

(International News Service) NEW YORK, Nov. 13.—Two persons were injured today when a granite block weighing a half ton crashed to the street from the thirty-fifth story of the Bank of Manhattan building at 40 Wall street.

James Belas, workman, suffered a fractured shoulder when struck by a plank, flying splinters struck and injured Miss Helen Pratt, 32, seated in a nearby automobile.

Shortly after the mishap, a pyramidal steel cap was placed on the 70-story building, marking the erection of the frame work of the world's tallest tower.

In Which 'Tis Revealed That Dame Fashion Is Having Laugh On Women

Who is Dame Fashion? No one seems to know her, personally, and yet—she sets the styles for millions of people. And what an inconsistent creature she is!

Because so many women are bewildered with the rapid and radical changes being made constantly, in vogue, the writer was inspired to enlighten them concerning clothes, manners and such things.

In case you haven't already guessed, the writer is a personal confidant of Dame Fashion—the girl friend, in fact.

Guess again, if you don't think Dame Fashion leads a jolly life. Her life is just one giggle after another. Not so long ago the Dame looked around at the women—skirts to their knees, mannish suits and short frouzy hair. They were all quite blissfully happy and comfortable.

The Dame looked over at the writer, and chuckled. "Now watch the confusion," she remarked. "Attention," she cried to women

trusses, women were somewhat dismayed and perhaps, a trifle sulky, but when the order long dresses, women openly rebelled. As a general rule, they shrug their shoulders and resignedly obey Dame's decrees. But to be confined in a prison, such as long trailing dresses seem to be, does not appeal to the weaker sex. Never, they said. But they must.

And folks, do you know what Dame Fashion does? She sits on her throne and giggles. She knows that she has absolute power. She sends an order to be broadcast to the world, signed, "From Paris."

But she isn't a bad sort. She doesn't bother men, much. That is, except once, when she ordered for them, the most uncomfortable apparel she could find. She has been amused at that ever since!

MOTHERS now learn value of MAGNESIA

Because it is so helpful in keeping babies and children healthy and happy, every mother should know about Phillips' Milk of Magnesia.

This harmless, almost tasteless preparation is most effective in relieving those symptoms of babies and children generally caused by souring food in the little digestive tract, such as sour-belching, frequent vomiting, feverishness, colic. As a mild laxative, it acts gently, but certainly, to open the little bowels in constipation, colds, children's diseases.

A teaspoonful of Phillips' Milk of Magnesia does the work of half a pint

of lime water in neutralizing cow's milk for infant feeding, and preventing hard curds. Its many uses for mother and child are fully explained in the interesting book "Useful Information." It will be sent you, FREE, Write The Phillips Co., 117 Hudson St., New York, N. Y.

In buying, be sure to get genuine Phillips' Milk of Magnesia. Doctors have prescribed it for over 50 years. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Chas. H. Phillips Chemical Co., and its predecessor, Chas. H. Phillips, since 1875.

Railroad Companies Place Heavy Orders With Steel Industry

(International News Service)
PITTSBURGH, Nov. 13.—Both new business and production have undergone a further decline as the result of hesitancy among buyers, the Iron Age will say in its weekly summary of the iron and steel industry.

"In the main," the magazine continues, "apprehension regarding the consequences of the stock market collapse, rather than actual evidence of adverse effects, explains the attitude of the trade. But this spirit is not universal. Railroad buying is conspicuously good and the requirements of farm equipment manufacturers continue to expand."

"These indications of activity are counted on to restore general confidence," Iron Age points out, "and to release tonnage now held back. The present conditions policy of buyers apparently is not due to excessive inventories because there is still pressure for deliveries against steel on

order and suspension of shipments are few and have come mainly from motor car builders."

The magazine will say that the week's additions to rail bookings total 113,000 tons while freight car purchases for the year will probably run well past 100,000 cars which would be the highest total since 1924.

Steel ingot production has declined to 60 per cent in the valleys and to 75 per cent at Pittsburgh and Chicago," Iron Age continues. "Eastern mills are operating at 65 to 80 per cent, the latter rate being that of the leading independent."

"Scrap feeling the effects of curtailed consumption, is generally weaker," the heavy melting grade is \$1 a ton lower at Pittsburgh and 50 cents lower at Chicago. The Iron Age composite prices are unchanged, pig iron at \$18.38 a ton, and finished steel at 2.362 cents a pound."

Gym Classes Are Learning Dances

Folk Dances Are Being Taught
To Members Of The Y. W.
C. A. Health Classes

Folk dances are being learned by members of the Y. W. C. A. health classes, under the direction of the health secretary of the association, Miss Dorothy Stewart.

Last month games were played during the classes and next month it is thought that apparatus exercises will be enjoyed by the members. The classes have been well attended and much interest has been shown in the various activities.

The classes in Ellwood City and the class in New Wilmington are getting along fine in the work, according to Miss Stewart. Folk dances are being learned in those classes also. Miss Marie McKim, a high school student of Ellwood City, is piano accompanist for the Ellwood classes. Miss Marian Way of Avalon, a student of Westminster College, plays the piano for the class in New Wilmington. Miss Beatrice Laverick is accompanist for the New Castle classes.

Volley ball has proven to be of great interest to the members of the health classes. A class in volley ball is taught every Tuesday evening at 6:45. This class is open to any member of the health classes.

Two Baby Clinics Will Take Place

Regular well baby clinics will be held Thursday under the auspices of the Lawrence County Tuberculosis Society.

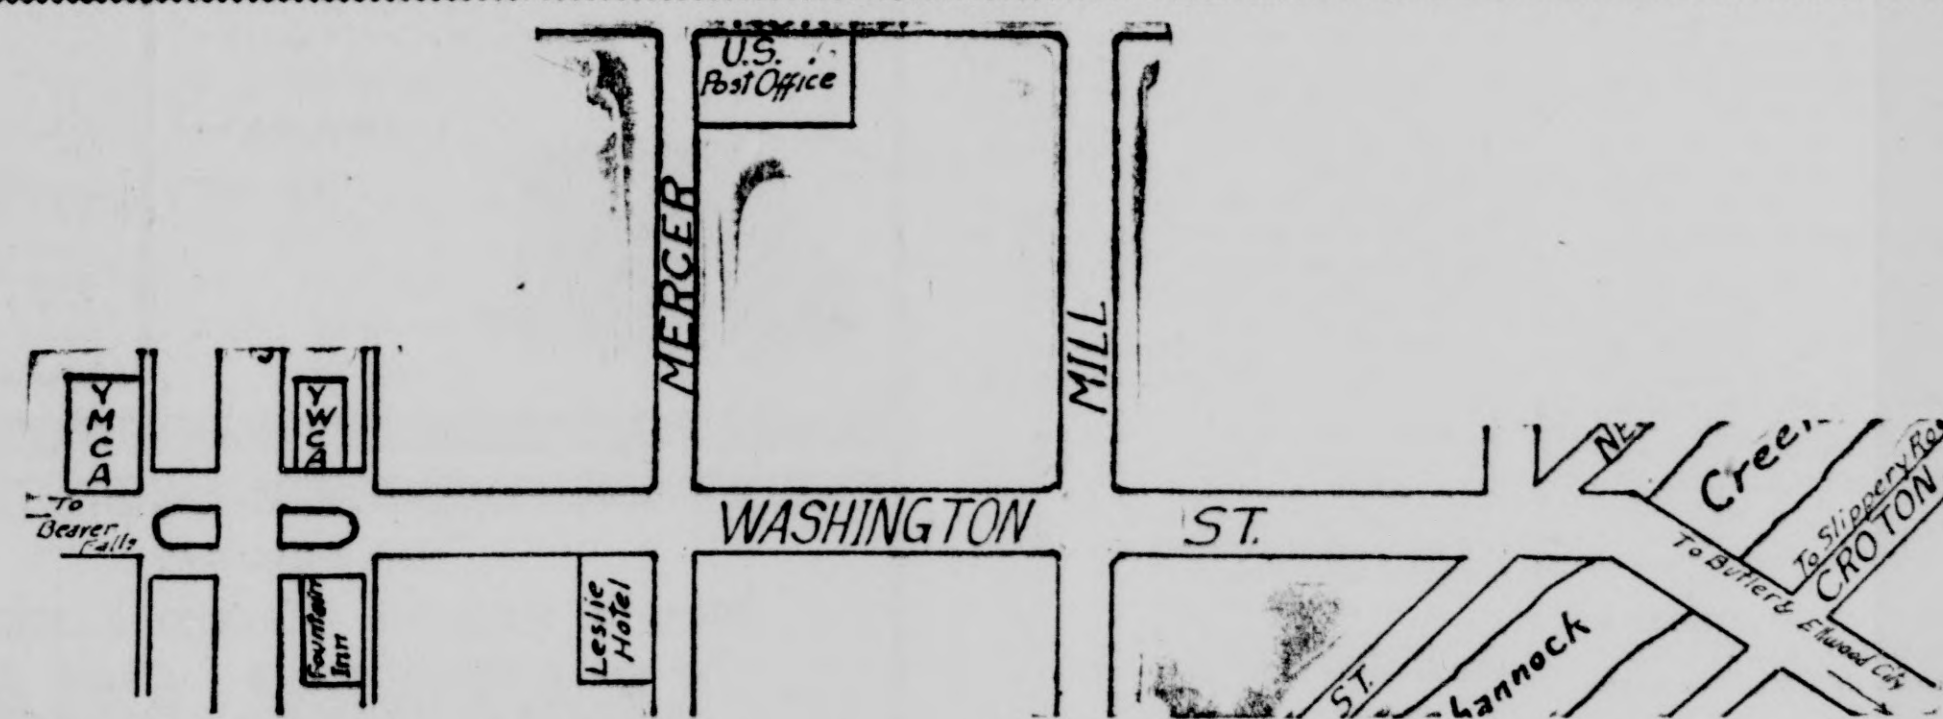

Between the hours of 10 and 12 o'clock a clinic at the New Castle Dry Goods building will be in charge of Dr. William Wallace, assisted by state and county nurses. The weekly clinic for colored babies of the city will take place in the Elm street Y. W. C. A. in the afternoon between the hours of two and four o'clock, with Dr. George Garnett in charge.

Give Program At Croton M. E. Church

Several hundred members of the Croton M. E. church attended the meeting last evening when their campaign for the removal of the building fund indebtedness against the church was inaugurated.

A fine program was carried out during the evening, which was featured by a playlet entitled "The Awakening of Mr. Tightwad." A fine response was received when contributions were called for, and it is hoped before the campaign ends to have the entire \$4,000 needed, subscribed.

PROPOSED DISTRICT FOR CHRISTMAS LIGHTING

Above is shown the downtown section of the city, which will be lighted with festoon lighting during the Christmas holiday season, from December 15th to January 1st, inclusive.

The project, which is being backed by the Woman's Club of New Castle, calls for colored lights every two feet along both sides of Washington street, from the west end of the Diamond to Croton avenue, on the north side; and to the Dafford furniture store on the south side, including both sides of Mill and Mercer streets between Washington and North.

The women representing the club are now canvassing the merchants along these streets and have been meeting with a very favorable response from all merchants, who are heartily in accord with the idea.

In addition to these lights, the community tree and decorations will be placed at the Diamond.

Win But One Game In Two Seasons

Mercer High School Boys Are
Real Sportsmen Despite
Unfavorable Record

MERCER, Pa., Nov. 13.—In two seasons of football so far as the record carries Mercer high has won but one game of the sport. Last Saturday the team tied West Middlesex, neither team scoring. On November 15, they play Sandy Lake high at home. It will be one of the two home games with which they close their season.

Regardless of the outcome the team is worthy of the support of every real sportsman for their efforts are backed with the stuff of which thoroughbred sportsmen are made, game regardless of win or loss. There is perhaps not a school in western Pennsylvania with as unique a record as this. The average team would have quit long ago disheartened with the continued drubbings and no results.

They won this season from Hickory, 6-0, they tied West Middlesex which places them in favorable position to do something in Class B circles in the county if they can duplicate one of the two scores on Sandy Lake.

SEEK CLEAR TITLE
A court action to bring to a climax the litigation that has been in progress since February of this year to obtain legal release of the land bought by the Wayside Inn at Grove City at the time of the erection of the new

addition, five years ago, has been started by attorneys for the order. At that time the territory added was deeded to Louis K. White, C. W. Penton, David Dale, John Fielding. These men were in charge of the construction program for the order.

SEEKS NEW TRIAL
Floyd Gilliland twice convicted by Mercer county juries on a statutory charge is asking through his attorneys a new trial.

Reasons for the third hearing have been filed and the court stenographer instructed to write out the testimony of the last trial. The case was one of the most spectacular at the two last October court sessions.

HOME TO BE CROWDED
There are at present housed at the County Home 80 aged and infirm in the poor wards. From indications the home capacity of 140 will be taxed before the winter is over.

Superintendent T. C. White tells of letters on file at his office advising of the coming of winter guests who are staying outside as long as the weather will permit. Each of the three Poor Directors have a list of indigent poor they take care of at the home in the winter time.

CHICKENS PLENTIFUL
Chicken and lots of it at 45 cents a pound dressed weight, is reported available for Thanksgiving dinner. As yet market men report very little demand for turkey. It will sell at 65 to 70 cents dressed weight, they say.

START HUGE DITCH
Start was made in Mercer county on the largest dynamite drainage proposition to be attempted in western Pennsylvania.

One ton and a half of the explosive will be used in reclaiming 2,000 acres of Liberty township swamp

land that will be used for celery raising. For years the value of the black mud land in this swamp tract has been heralded by agronomists as the best in the state. Parts of it was drained by growers but the cost has been prohibitive to reclaim any vast tract.

An expert from the DuPont Powder Company will handle the work. A series of ditches of which will be blown to a proper level to drain the land of the water. Experts from all parts of the state will be at this demonstration. If it proves successful it will be an innovation in reclaiming of this type of land which will mean much to present owners of swamp land.

FORMER FARM AGENT HERE
D. E. Keller, for a year assistant county agent here, returned Tuesday as one of the field men of the American Jersey Club.

Keller resigned his position here to accept a post in New Jersey as a Farm Agent. He is a State College graduate.

FRIENDS AID MAN
Friends of Jason Webster locked up in the county jail on a charge of the theft of 14 head of sheep from the flock of Frank Beal of Perry township are making an effort to secure his release. It is said that bail will be raised for him. Webster is from Utica. His friends claim that he bought the sheep. The state police say he confessed when arrested by them to their theft.

No Decision Yet In Stevenson Case

Councilmen convened with Mayor William H. Gillespie Tuesday after-

noon in the mayor's private office and studied the evidence given in the case of Plumbers vs. Ed Stevenson, inspector of plumbing in the city. The solons are not yet prepared to hand down a decision. The petitioners asked that Stevenson be removed on charges of incompetence, favoritism and failure to enforce the code. Some testified against the inspector who took the stand in his own defense and also presented witnesses to show how he had supervised plumbing installation here.

Larger Demand For Adult Books At City Library

For the first time in more than three years a loss in circulation has taken place in books at the New Castle Public Library during the month of October as compared with the same month of previous years. A loss of five tenths of 1 percent is caused by the falling off of juvenile circulation, the adult showing a gain of 31 percent.

The total circulation for the month of October was 16,821. Adult fiction was 7,284, adult non-fiction was 1,359, foreign, 26, total adult 8,669, juvenile fiction, 5,331, juvenile non-fiction, 2,821, total juvenile 8,152. Branch circulation for the month was 8,550. The Mahoningtown, 2,279, the Jameson Memorial hospital branch, 190, South Side 3,236 and East Side 2,830.

Another nice thing about checkers is that no one is broadcasting the game when you want music.—The Akron Beacon Journal.

Police Say Boys Admit Stealing Several Machines

Arrest By Officers Solves Mystery In Recent Thefts Of Autos

F. R. Doyle of Morton street, reported his automobile stolen from in front of the New Castle hospital last night.

Officers Moore and Thomas a little later picked up Thomas Largo, aged 15, at Moravia street and West Home street, in possession of the missing machine.

He was removed to the police station where he was held until this morning. Largo held out for some time against the efforts of the officers in their endeavor to have tell who were his accomplices, but when taken to the South Side, he implicated Paul Christopher, aged 15. Christopher was taken into custody by Detective Young and Officer Thompson.

Both he and Christopher admitted the police say, to having been in on the theft of another car from the same place recently.

Police authorities state that they believe that these boys know who stole most of the missing machines from the New Castle hospital district in recent weeks.

Juvenile Court Officer J. M. Dunlap has been called into the affair and an effort is now being made to work out the best solution of the problem in punishing the boys, who have admitted to the theft of cars.

Guest Of Lions Expected Tonight

Local Club Will Honor District Governor At Elks Club Affair

Attorney D. R. Perry of Altoona, governor of District No. 14, Lions International, who will be the principal speaker at a dinner being given in honor by the New Castle Lions club at the Elks home tonight, is expected to arrive in the city shortly before the banquet hour. Governor Perry is motoring here from Altoona. E. D. Marvin, president of the New Castle club stated that Perry's visit has a two-fold purpose. It is the first time he has been honored by local Lions and it is to make his first address before them that he comes. He will also confer with A. H. Hughes, chairman of local arrangements for the 1930 state convention of Pennsylvania Lions clubs which will occur here next May, while here.

A special program is planned for tonight, and outside entertainment will be furnished. Dinner will be served at 6:30.

Pittsburgh Police Capture Girl Who Escaped Morganza

(International News Service)
PITTSBURGH, Nov. 13.—Marie Schriener, 20, of Pittsburgh, said to have escaped from Morganza industrial training school at Morganza, Pa., is being held here today by authorities for word from the institution as to what they wish done with her. The girl was apprehended when she approached Patrolman Henry Otterson early today with the information that Morgan Baker, 25, of Pittsburgh, hit her with a bottle and broke her nose. The patrolman took the girl to a hospital and then to the police station, where she was recognized by Captain Anthony Block, according to police.

McAlpine Exploring Party Starts Trip Toward Civilization

(International News Service)
WINNIPEG, Man., Nov. 13.—Having successfully battled sub-arctic blizzards and wind storms, Col. C. D. H. McAlpine, his seven companions and their rescuers expected to take off Friday from Fort Reliance on the third lap of their journey back to civilization.

With the temperature at 30 below zero the party left Bathurst yesterday. The eight geologist-explorers were rescued from Cambridge Bay at the south fringe of the Arctic Circle. The party was lost to civilization for eight weeks after their airplanes strayed from the course.

The Parent Problem

by GARRY C. MYERS, Ph.D.

Train Child In Making His Choices

"May I change from French to Spanish?" Rowland asked his principal. "I don't think I am going to like French, but I know that Spanish will be interesting."

In walks Nora to request a change from chemistry to physics, and as she goes out, Harry enters, with a wish to drop his mathematics and take agriculture. The extent of such swapping of school subjects is appalling.

High school pupils may be honest in the reasons which they give for slipping from one subject to another. So may you and I be honest in the reasons that we give for doing certain things. Nevertheless, they, as well as we, may not give the real reason just because they do not know what the reason is, even when they think they do.

Human beings have a curious way of kidding themselves along. We generally do about what we want to do and then attempt to justify our actions afterwards.

If any one will take the trouble to look more closely into the reasons pupils have for exchanging courses, he will find all sorts of human factors. Rowland probably did not like his French teacher. She may have hurt his feelings. Probably he cannot bluff so easily with her. He may have discovered her to be a hard marker.

The Spanish teacher may have a reputation more to Rowland's satisfaction. Perhaps a girl that Rowland likes, or a boy pal, is in the Spanish class he hopes to enter. Or Rowland, entirely convinced that nothing could be worse than French, may merely wish to take a chance on Spanish.

It is the junior high school where children find the greatest opportunity to make easy shifts from one course to another, if not within the same term, at the opening of succeeding terms. For the rank and file of children the junior high school seems to have done a good service. Nevertheless, for others, it has proved more of a losing place than a finding place.

By keeping in close touch with the child's teachers and the school we parents can help the child estimate his likelihood of success in the subjects he has chosen for a term, and to see how wasteful it is, as a rule, to shift from one course to another, particularly during the same term.

The average junior high school pupil may not be competent to know what course is best for him. We, his parents, may not know; nor may his teacher. But the chances are that all of us working together may act more

wisely than any of us acting separately. "More heads are better than one." But when our boys and girls are adolescents it may be too late for us to cultivate this ideal very effectively. Let us begin with the younger children, even with the baby, to train him in making right choices and in sticking by them. The trouble is, we parents do nearly all the choosing for our younger children, giving them little opportunity to learn to choose alone. Then when they suddenly are faced with the need to make important choices, such as confronts the average adolescent youth, they may be all at sea.

Dr. J. C. Kistler Injured In Collision In Idaho; Condition Critical

PITTSBURGH, Nov. 13.—Injured when the auto in which he was riding was struck by an engine near Nampa, Ida., Monday, Rev. J. C. Kistler of Ben Avon, associate secretary of the board of American missions, is in a critical condition from a fractured skull, according to reports received here. He is in a Nampa hospital.

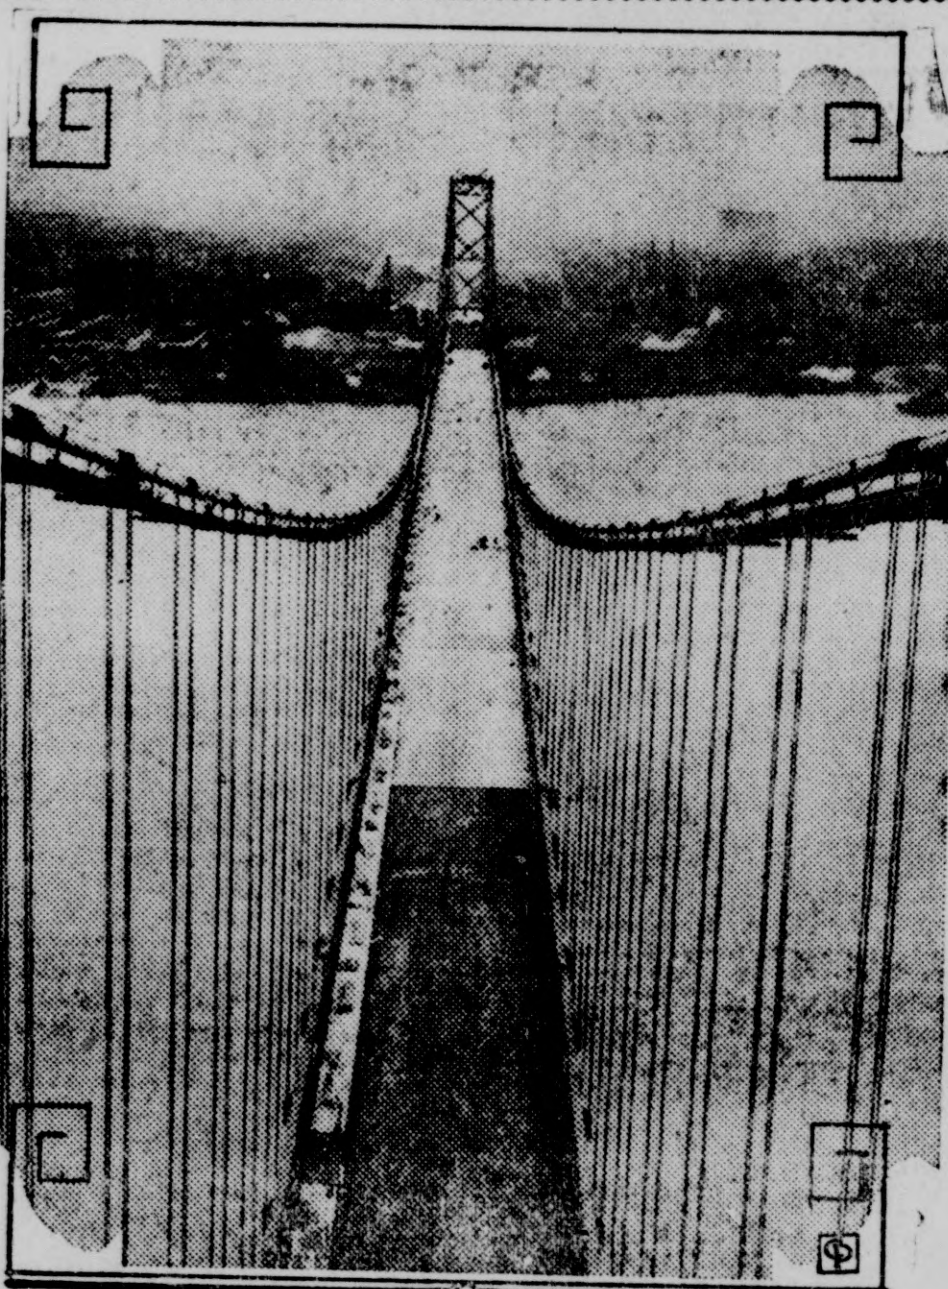

Rev. Kistler was being driven by automobile from Boise, Ida., to Nampa when the crash occurred. The driver suffered a fractured collar bone.

Rev. Kistler has been in the Northwest showing pictures of mission work in cities of the South. Rev. Harold Kistler, a son, pastor of the First United Presbyterian church, Rochester, N. Y., was former pastor of the Eleventh United Presbyterian church, North Side, and the South Side Presbyterian.

Prior to becoming secretary of the mission board Rev. Kistler was pastor of the United Presbyterian church at Houston, Pa. He is a member of the Westminster College board of trustees.

DEDICATE LONGEST BRIDGE SPAN

This unusual view of the world's largest bridge span, at Detroit, was taken from the top of one of the towers. The 1850-foot bridge, dedicated on Armistice Day, connects Detroit with the border cities of Ontario. The towers rise 375 feet above the Detroit river and the center of the span clearance is 152 feet. It contains 8,066 steel wires, each having a strength of 7,000 pounds.

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle

At last the sucker list has invaded our place. Those big hearted bunnies who want to do something for humanity in a big way have found our address and the result is a package of handsome Christmas cards. Lovely cards, customers, pictures of holly splashed all around them and sleighs and little things like that, appropriate to the season.

Accompanying the cards was one of those high pressure letters. Masterful and meaning, and shot through and through with action, plus. The nub of the message is that if we like the 12 Christmas cards, assorted, that is, the cards are assorted, not the heads, we can send one dollar to the headquarters for Christmas cheer, which seems to be in Buffalo, judging from this letter.

It was nice of them to give us a break like that. Not often can you get Christmas cards like that, at the price of 12 for a dollar. Not often. Usually they don't give you cards, they just hold you up without any return. But in this case the gyp it is reverse gear, the cards come in first and then you send in the dollar, if you're sap enough.

I suppose there will be some folks send in perfectly good dollar bills for the cards. Otherwise they are going to be bankrupt before Thanksgiving. Otherwise the cards will stay here as an example of Gentle Gypping, and while the lads sent return postage, that also will stay. It takes time to put on stamps anyway.

In the meantime, when we want Christmas cards, or still pickles, silk mufflers or glass door knobs, there are a lot of lads right here in New Castle who have an investment here, who pay their taxes here, who live here, and who have a right to the trade of their townspeople. And by the way, has the postcard gyp hit your house yet?

For an interesting visit, try a pawn shop. Perhaps you have, as a customer, but it's an interesting place. Dropped in on one of the shops yesterday, and if there is anything made

that he hasn't got in stock, it must be rare.

Banjos and blackjacks, stickpins and snuff boxes, collar buttons and brass knuckles, diamond rings, which genuine would be worth a king's ransom. Shoes and shirts, lodge pins and first pins, knives and hammers, all of them piled here and there, and most of them representing the need of somebody.

The pawn business is a bit slow just now, according to the gentleman who presides over the destinies of the place. People put their stuff in hook and then forget to redeem it. Or perhaps can't.

There's a xylophone down there, a reminder of some vaudeville actor who decided to go back to work. He was down on his luck, needed money, and took a loan on the instrument which had been entertaining the dear public. It's still there.

Some of the watches represent gifts from loved ones, but the pressure of adversity was greater than the weight of sentiment, and the watches went for coffee money. Some day perhaps they will be redeemed.

And then the pet shop nearby where you can buy anything from a gold fish to a cockatoo. Two enormous red parrots, chained to their perches, look you over with the air of a house detective as you enter the door. Back in the corner are a couple of prize cats, and nearby a monkey is investigating the possibilities of getting out through a break in the screen of his cage.

SECOND BOY STRUCK ON MERCER ROAD

GREENVILLE, Pa., Nov. 13.—The second boy to be hit within three weeks by a car along the highway at Shenango, two miles from here, is in the local hospital with a fractured hip and other severe injuries. William Kaltenbaugh, seven, is said to have run in front of a machine driven by M. A. Miller of Toronto, Ontario, Canada. The car was reported to be moving slower than 30 miles an hour and, after the driver removed the boy to the hospital he was released to continue his trip southward.

SKULL FRACTURED IN AUTOMOBILE ACCIDENT

YOUNGSTOWN, O., Nov. 13.—Stephen Colucci, prominent retired contractor of this city 60 years of age is in a critical condition following an automobile accident, when he was struck by a machine driven by Walter Detton. Colucci sustained a fractured skull.

"MY little son, Billy, became bilious, pale and listless," says Mrs. Florence Rhodes, 5454 Irving St., Philadelphia. "He was never hungry and didn't digest what he ate. He was constipated. I decided to try California Fig Syrup; and it has been a blessing. Now his bowels are regular; he has a fine appetite and perfect digestion. I give him a little Fig Syrup, now and then, when he seems to need its help, and it keeps him gaining."

CALIFORNIA FIG SYRUP THE RICH, FRUITY LAXATIVE AND TONIC FOR CHILDREN

Giving children California Fig Syrup is the finest way to do away with the ills caused by constipation. This is the way children like; that doctors approve. This pure vegetable product just suits a child's system. It moves the bowels gently without gripping or discomfort. It helps tone and strengthen bowels and stomach so they continue to act naturally. A child's whole system soon reacts to its purifying and energizing qualities. Prove it the next time your child develops those first symptoms of a clogged system—bad breath or coated tongue. Emphasize the name California in buying, to avoid imitations.

one or more organs, going to the source of ailments of the stomach, liver, kidneys and bowels. Working together, they cleanse and invigorate the whole human system, and put an end to rheumatism, neuritis and nervousness. Get a bottle of Ten Herbs today at Eckerd's of New Castle, Inc., 30 East Washington Street, this city, where this tremendously successful preparation is being introduced.

"Three bottles of Ten Herbs certainly made a wonderful change in me," said Mr. Martin Joyce, 306 Lamasc Avenue, Beachview, Pa. (near Pittsburgh). "My kidneys caused me the most trouble. There were severe pains across my back, and I had to arise three or four times a night. In the morning I would be so stiff that I could hardly get out of bed. I was always taking something for constipation. Nervousness kept me from sleeping properly at night. I seemed to be bilious, as a drowsy feeling would often come over me."

"After taking Ten Herbs, I felt like a new man. My kidneys began to work as they should. The pains left my back, and I no longer had to get up at night. I could sleep the whole night through, as nervousness was ended. My bowels were regulated, and biliousness disappeared. Food had a better taste. My whole system seemed to undergo a thorough cleansing, and I felt better and stronger in every way. You can always depend on me to give Ten Herbs a strong recommendation."

Ten Herbs is a splendid tonic for every member of the family, and is especially beneficial to men and women advanced in years. Remember, every claim made for Ten Herbs is backed by a mass of evidence on file, including signed statements of people of this city and vicinity.

Ten Herbs is being introduced at Eckerd's of New Castle, Inc., 30 East Washington Street, this city, and is sold by all leading druggists throughout this entire section.

Bad Liquor Will Cause Cancer Is Doctors Belief

Young Men Today Have Badly Ulcerated Stomachs From Drinking Bad Liquor

(International News Service) PHILADELPHIA, Nov. 13.—Prohibition was blamed for another evil today. The latest accusation placed at the door of the much-discussed Volstead Act was made during the address of Dr. Moses Behrend here last night before the Philadelphia County Medical Society, when he laid the increase in cancer among the youths of the nation to the bad liquor now being sold.

"The bad liquor which has found such a ready sale since prohibition," Dr. Behrend said, "is ruining our young Americans and is responsible for the increase of cancer among them."

"Much of the so-called indigestion is not indigestion at all, but pains resulting from ulcerated conditions caused by poison alcohol. A great many sudden deaths on the golf links or on the streets are due to such conditions. Strange to say, young women seem to suffer less than men."

Three Youths Caught In Raging Blizzard In Colorado; Two Escape Death

(International News Service) NEW BEDFORD, Mass., Nov. 13.—Fifteen-year-old Harold W. Culhane, local schoolboy, Tuesday was sentenced to serve from 18 to 19 years in state's prison after he pleaded guilty to a charge of attacking Mrs. Anna Carroll, with a piece of pipe, and stealing her purse containing 25 cents.

The court recommended that the boy, who was alleged to have told police that he wanted the money to attend a carnival, serve three years in some jail, or until he passes the juvenile age, before going to state's prison.

According to officials, the attack was one of the most brutal in local history. The woman hovered between life and death for more than ten days.

Lighting System May Be Extended To Other Streets

Woman's Club Finds Other Merchants In Business Section Want Festoon Lighting

So generous has been the response to the solicitation of the Woman's Club for the festoon lighting program planned for the downtown business section, that already it has been necessary to extend the system around the Diamond to accommodate the merchants in that section who have asked for it. Mrs. S. H. Rhoads, chairman of the committee, stated that merchants on South Mill and South Mercer streets are also discussing the matter of having the system extended to these sections. Arrangements can be made for this by getting in touch with Mrs. Rhoads, or any of the members of the club.

Half a Million Tunney Suit Opens in Texas

The preliminaries in John S. Fogarty's attempt to reduce Gene Tunney's bankroll by \$500,000 were being staged on Armistice Day in Fort Worth, Tex., in preparation for the real bout scheduled for Bridgeport, Conn., early next year. At the extreme left Frank Wilder, counsel for the Fogarty's in their suit against the ex-king of the pugilistic world. Mrs. Fogarty, the center figure in the great bout; (center) James Joseph (Gene) Tunney, outstanding figure in the world's history of pugilism and undefeated king of the fist world. At lower right is Homer Cummings who will defend Tunney, while Charles J. Martin (center) will perform the same office for the Fogarty's.

GENE TUNNEY may be through with the ring, but he isn't through with fighting. Out in the wide open spaces—Fort Worth, Tex., to be more explicit, the gong has sounded for the opening round of the great Fogarty versus Tunney battle, for a purse of a million dollars. A brilliant array of legal talent will second the principals, including Homer Cummings who will defend Tunney, and George Whiteside, of New York, his personal counsel. Frank Wilder and Charles J. Martin will perform similar office for the Fogarty's. Mrs. Fogarty's action is for breach of promise for which she asks \$500,000, while John Fogarty is bringing a suit for alienation in which he seeks to put another half million dent in the Tunney family fortune. The purpose of the present hearing is to take the depositions of over 100 witnesses to save the expense of bringing them from Texas to Bridgeport, Conn., where the cases will actually be contested. There are witnesses who will offer testimony that the Fogarty's were living happily together until she met Tunney in Hot Springs, Ark., where he was then training. Mrs. Fogarty will offer additional witnesses to testify that they saw her in the company of the boxer in Chicago, St. Paul, Little Rock, Ark., and Ponca City, Okla. Mrs. Fogarty will also endeavor to prove that she divorced her husband, a Fort Worth plumber, only at the insistence of Gene, whom, she alleges, offered to marry her, as soon as she secured her decree. This she did in May, 1925. Witnesses for Fogarty will offer similar testimony to substantiate his alienation action. A host of witnesses have been assembled on behalf of Tunney to show that the Fogarty's were not on the best of terms at the time that she met Tunney. Tunney's counsel will also endeavor to show that the actions brought by the Fogarty's are nothing else than blackmail. All in all, it looks like a very sad time for Tunney as far as publicity is concerned, despite his anguished appeals to the press to let him alone. The cases will be actually under way very early in the new year, and it is not yet known whether the Fogarty's will be called to the witness stand by Gene's attorneys.

B. R. & P. Sale Again Opposed

Eastern Roads Oppose Plan
Of B. & O. To Take
Over B. R. & P.

BATTLE IN OPEN
ON DECEMBER 19

By HARRY WARD
International News Service Staff
WASHINGTON, Nov. 13.—Eastern railroad magnates who have plans for consolidating some of the choicest railroad property in the United States into a four-system project, marshaled their forces today to combat the plan of the Baltimore & Ohio to take over the Buffalo, Rochester & Pittsburgh through purchase of its capital stock. This carrier, desired in nearly all the consolidation plans, pending before the interstate commerce commission, has tentatively been allotted to the Baltimore & Ohio by commission examiners. It is operating with its fate hanging in the balance hesitating to proceed with needed improvements.

Arguments December 19.
Disposition of the Buffalo, Rochester & Pittsburgh will come out into the open on December 19, when the interstate commerce commission will hear oral arguments on the issues involved in the proposed allocation of the road with the Baltimore & Ohio. Arrayed against the Baltimore & Ohio will be the Wabash, which has a comprehensive consolidation plan pending before the commission, and the powerful Lorain interests, both of which are prepared to fight a battle royal to keep the Buffalo, Rochester & Pittsburgh out in the open until the commission has formulated some kind of a consolidation program.

Lorain Seeks Road.
Lorain, stormy petrel of the railroad world, who probably has more of his plans upset by the commission than any other railroad magnate in recent times, has told the commission allocation of the Buffalo, Rochester & Pittsburgh to the Baltimore & Ohio would "interpose serious obstacles to a different permanent allocation of eastern railroads into consolidated trunk systems."

Lorain, who has sought to get this road as a part of his fifth trunk line system with the Delaware & Hudson as the nucleus, and each time has

met with defeat, will have a battery of lawyers to put forth his claims. The Wabash interests, with Pennsylvania railroad support, will also put up a valiant fight, on the ground that the "allocation of this road should not be made in advance of a comprehensive consideration of the consolidation program in eastern territory."

As the Van Sweringens now own the capital stock of the Buffalo, Rochester & Pittsburgh and are desirous of turning it over to the Baltimore & Ohio, it is expected their interests will have something to say when the question comes up before the commission.

The Van Sweringens also hold the Wheeling & Lake Erie on similar conditions. As these two subsidiaries are essential to formation of a fifth eastern trunk line in conjunction with the Wabash and the Western Maryland, the commission's approval of their permanent possession by the Van Sweringens and the Baltimore & Ohio would be generally viewed as aligning the commission with the four-trunk line advocates.

This would undoubtedly expedite a "showdown" in the whole consolidation program.

Ministerial Alliance Meets At Elm St. Y.

Plan For Thanksgiving Service
In Union Baptist Church

The Ministerial Alliance of New Castle met in its regular bi-weekly session at the Elm street Y. M. C. A. Tuesday morning with the newly elected president Rev. W. W. Nelson in the chair.

The different members gave encouraging reports concerning their work. It was decided to hold the Thanksgiving service this year in the Union Baptist church and the sermon will be delivered by Rev. W. W. Nelson.

It was decided to co-operate with Rev. Henderson in his ninth anniversary service Sunday afternoon, November 17. Rev. W. L. Ingram was appointed to preach the Union Church day service November 22 at the Trinity A. M. E. church in Ellwood City.

Rev. Dr. Jordon of Jenkintown was present at this meeting and delivered a timely address on "Being a Good Soldier." He is now conducting revival services in the Second Baptist church.

Neighbor's Night Brings Out Crowd

Many Members Of First Baptist
Church Bring Neighbors
To Service

REV. W. W. AYER

Attendance is increasing at the evangelistic services being held in the First Baptist church by Pastor William W. Ayer of Gary, Ind.

Last night Mr. Ayer delivered an unusually strong message on the great question, "Who Is Jesus Christ?" using the familiar text of Mat. 23:42. He showed that Jesus Christ is both man and God. "Being man, Christ can come near to us and reveal to us the Father," said the speaker. "One of the greatest comforts to the Christian," he continued, "is to know that there is a glorified man at God's right hand in heaven, for Christ still has his human nature." Mr. Ayer then showed that Jesus Christ is also Deity, that He is God himself. He

decided much of the present day writing about Christ by popular magazine writers, who present a Christ of their own imagination, and not the Christ of the Scriptures. Mr. Ayer was particularly forceful in his condemnation of the popular book, "The Man That Nobody Knows", which, he asserted, starts with Jesus as nothing but a man and leaves him in the sepulchre.

Last night was neighbor's night. Prizes were given to those bringing the largest number of neighbors. Three people brought each four neighbors. They were: A. J. Rees, Mrs. B. A. Masson and Mrs. D. R. Smith. A special solo was rendered by David S. Williams. Tonight the Woman's Missionary Society will be the special guest. Mr. Ayers will speak on "The Kind of Women That America Needs". Thursday night the subject will be "Worldliness and Other-Worldliness."

Public Requested To Mail Uniform Christmas Cards

Effort To Eliminate All
Odd-Sized Messages
Gets Under Way

New Castle post office employees will renew this year previous efforts to discourage the use of small or odd-sized greeting cards and envelopes, which practice costs the department plenty.

Co-operation of manufacturers, dealers and the public in general in the elimination of this undesirable mail to the end that the service may be relieved of the burden of handling it is desired and should continue to be sought and cultivated.

It is suggested by local officials that in no case should cards and envelopes be smaller than 2 3/4 by four inches, a size somewhat larger being preferable.

Pupils Present Short Playlet

Parents-Teachers Of Arthur McGill School Hear Health Talk

Meeting in the auditorium of the school, the Parents-Teachers Association of the Arthur McGill School heard an enlightening address Tuesday evening by Dr. E. L. Henderson of this city on "Health." The talk was built around the necessity of proper health precautions for school children and the dividends such precautions pay. Roy Leslie, principal of the school, also spoke on the effect of Parents-Teachers Associations. Mrs. E. L. Thompson presided.

Following the speaking program the children of the Fourth Grade presented a short playlet, entitled "The Enchanted Door." The cast was as follows:
Giant—George Louden.
Mrs. Giant—Suzanne Rigby.
Jack—Bob Chamberlain.
Robin Hood—Bobby Cole.
Captain Hook—Jack McMillin.
Robinson Crusoe—Dyke Blair.
Huck—Howard Carlisle.
Cheshire Cat—Suzanne Sadler.

OH, THESE WOMEN!

By LEOLA ALLARD

The husband of a very lovely actress is making accusations against her, and asking for a divorce. I was particularly interested when I heard this lady several years ago, when the situation was reversed, and the husband was being very much talked about. A beautiful actress was named, and the report was that the wife was going to ask for a divorce. I had the pleasant job of asking her if it was true.

her before her public and is getting the divorce he wants, she says not one word against him. She takes her medicine like the little spartan that she is. She doesn't know me so this isn't personal, but if ever a woman deserves a little better treatment, I know she does.

DAMAGE SLIGHT.
Miss Lillian H. Sarver of 318 Boyles avenue, reported to police Tuesday that she was driving south on East

Street and making a left hand turn onto East North street when her machine caught the bumper of the machine of Attorney Homer S. Drake, which was parked near the intersection of East and North streets on East street and was from two to three feet from the curb. The damage was slight.

It may take a wise man to realize he is a fool, but the realization spoils the enjoyment.

SCHOOL BOARD VOTES TO COMPLETE SCHOOL AUDITORIUM

Architect To Be Consulted
This Week Regarding
Final Estimate And
Inspection

New Auditorium To Be Structure
Of Modern Beauty
Of Line And Decoration

ELLWOOD CITY, Nov. 13.—At the regular monthly meeting of the Ellwood City Board of Education which took place Tuesday evening in the Lincoln school, the most important item of business was setting the wheels in motion on the action that will tend toward the completion of the school auditorium.

J. W. Offutt, as chairman of the Finance committee, suggested that the auditorium be completed as soon as possible and at the conclusion of much discussion concerning architects, bids, re-written specifications etc., it was decided to send for Architect W. G. Eckles, who built the Lincoln school, to meet with the board on Friday night. The board wishes a local inspector on the work, who will make a complete daily check on the work as it progresses, and will put the matter up to the architect.

The building committee reported that it seemed advisable to keep the present bleachers on the athletic field another year, with more repair work next year, as the new stadium will not materialize for some time to come.

The health committee reported that many cases of skin condition has been noted in the schools, but no infection diseases reported.

Entertain For Two Birthdays

ELLWOOD CITY, Nov. 13.—Mr. and Mrs. Edward H. Smith recently entertained at their home in Wurttemberg in honor of their daughter Agnes and their niece Audrey Deemer's 16th birthday. The evening passed pleasantly with games and music.

Later a delicious luncheon was served by Mrs. Smith assisted by Mrs. Ketterer of Wurttemberg. The honor guests received a shower of lovely gifts. Those present were: the Misses Hazel Tillia, Jewell Badger, Ruth Badger, Ada Graham, Pauline Boots, Theima Graham, Mary Emma White, Florence Allen, Fanchion Kirker, Mildred Keistling and Marjorie Doak. The Messrs. Chalmers Hazen, Ralph Nagel, Reed Kimpel, Bruce Wright, Ferd Kaufman and James Newton.

E. P. L. MEETING
ELLWOOD CITY, Nov. 13.—Members of the E. P. L. Club are scheduled to meet with Mrs. Clarence Holman of this city Thursday evening for the regular monthly session.

Annual Report Is Made By School Head At Meeting

Supt. W. Ray Smith Compiles Comprehensive Report And Gives Verbal Talk On Convention

ELLWOOD CITY, Nov. 13.—The first annual report of a school official in the history of the Ellwood City schools was made Tuesday evening at the regular monthly meeting of the board of education when Supt. W. Ray Smith presented each member of the board with a resume of school activities neatly bound, for their inspection. The table of contents includes "Growth of the District," "The Financial Situation," "Instructional Service," "School Policies," "High School Curriculum," "Classification of Pupils," "School Activities," "Accomplishments" and "A Forward Look."

In his verbal report Supt. Smith recommended that a teacher, Miss Dorothy Tomb, teaching in the fifth ward, be elected at a salary of \$1,000 per year. This was accepted by the board.

During the past week Supt. Smith attended a convention in Harrisburg and enjoyed various talks with State Superintendent Dr. Keith conducting the educational conference. Three phases of the meeting were stressed as follows: "Supervision and Instruction," "Relation of Secondary and High Education" and "Teacher Education and Certification." Mr. Smith expressed himself as having obtained many new ideas from the sessions. He stated that 500 schoolmen were present and that the trend in education today is to give the boys and girls more education in their own communities, giving two years college work in the high schools, with those students going on for two years specialization work in colleges later, if they desired. These are called junior colleges and already there are 200 in this country, and 60,000 young people have the opportunity of taking college work in the high schools.

The volume was dedicated to the late Kirk Thompson, principal of the North Side school.

Legion Auxiliary To Try For Citation

Members Also Plan Welfare Work, Both State And Local

ELLWOOD CITY, Nov. 13.—Forty members of the American Legion auxiliary met Tuesday evening in the Legion hall. They are working for a national citation, which is obtainable by having all 1930 dues paid by December 20. The auxiliary has already received a state citation.

Mrs. Harry Brown was nominated as delegate to the four county council luncheon in Butler on November 21. The auxiliary also voted to take care of four children from the state welfare department in addition to local charities.

The balance of the evening was spent at cards, with Mrs. J. J. McLaughlin and Mrs. Elmer Greenham scoring high honors.

Hostesses were Mesdames Orin Barkley, Harold Cartwright, Earl Allen, Lawrence Barnhart, James Baxter, W. C. Bovers, David Cartwright and Mildred Branden.

Travel League Has Interesting Program

ELLWOOD CITY, Nov. 13.—Members of the Connoquessing Travel League enjoyed their regular meeting Tuesday evening in the Library building.

The following program was presented: Paper on "Alaska and Canada" by Mrs. Gwendolyn Dugan; paper on "Newfoundland" by Mrs. A. M. Stevenson; "The Fisheries Trouble" by Mrs. William Dean.

Mrs. Catherine Charles gave a most interesting book review on "Captain Courageous".

Ingenious treatment of the gray fabric characterizes this coat which achieves an intricate diversity of silhouette, but remains slender throughout. Lavish bands of contrasting fur fashion the collar and unique sleeves.

Educational Week Is Being Observed In Local Schools

Health Education Program To Be An Event Of Thursday Evening In Lincoln Gymnasium

ELLWOOD CITY, Nov. 13.—National Educational Week is being observed in the local schools this week for the ninth consecutive year. The purpose of this is to acquaint the taxpayers with the workings of the public schools, promoting a better understanding between the people and the educational factions.

Thursday is "Know Your School Day" and visiting will be encouraged. The pupils will bring invitations home to their parents to attend class sessions. That evening there will be a health educational demonstration in the gymnasium of the Lincoln school at 7:30 o'clock. Pupils of the elementary grades will give the program under the direction of the health teachers.

The program in detail is as follows: A game of What Would You Do—Grade 1, Hartman school.

Health song, "Oats, Peas, Beans and Barley Grow"—Grade 2, Hartman school.

Spanish dance—Grade 3, North Side school.

Dumb bell drill—Grade 6, North Side school.

Dance of the Scare Crows—Grade 3, North Side school.

Calisthenics—Grades 5 and 6, Ewing Park school.

Ribbon drill—Grade 5, Circle school.

Pyramids—Grades 5 and 6, Hartman school.

The Misses Johnston, Hemmerly, Peckam, McDougal, Rachel, Cain and Mr. Lee will direct the demonstration, and the entire program will be presented in costume and will be well worth viewing. Eight hundred adults visited the schools last year, and a still larger number is expected this year.

ROUGH SERVICES
ELLWOOD CITY, Pa., Nov. 13.—Private funeral services for Delilah May, six year old daughter of Mr. and Mrs. Wm. Rough of Ellport, were held at the Mountville cemetery on Monday.

The child's death occurred at the home of her grandparents Mr. and Mrs. Wm. Robinson in Struthers, Ohio, following a short illness of diphtheria.

Rev. Patterson, pastor of the Mountville church had charge of the services.

Interment was made in the Mountville cemetery.

ORGANIZE SCOUT TROOP
ELLWOOD CITY, Pa., Nov. 13.—At a meeting held in the brick schoolhouse at Wurttemberg Monday evening a boy scout troop was organized. Eighteen boys signified their willingness to join the troop. Chas. Mehard has been secured to act as scout leader. The next meeting will be held in the same place on Tuesday evening, Nov. 19.

The innocents who were cleaned out do not go on the sagacious theory that it is best to buy straw hats in January and winter underwears in July.

"The automobile," a mother writes, "has taken the place of the cradle." Though of course the little things didn't try to drive the cradle.

Are You Well and Strong?

"Before my third baby was born my husband advised me to take your medicine and he bought me three bottles of it. When I had taken the first one I began to feel better so I kept on during the whole period. We have a healthy baby boy and we are so proud of him and praise Lydia E. Pinkham's Vegetable Compound for the help it gave me. I feel lots stronger since I started to use it and would not be without it."—Mrs. Frank Lukes, R. No. 1, Box 58, Lankin, N. Dakota.

Womens Club Has Successful Dinner

Members Plan A Big Campaign For Raising Money To Promote Community Home Project

ELLWOOD CITY, Nov. 13.—The annual Thanksgiving dinner of the Ellwood City Women's Club took place Tuesday afternoon in the Elks Club, with covers laid for 100 members. The tables were decorated with pumpkins filled with autumn leaves and fruits.

A special guest was Mrs. William Renner, a former president who now resides in the Pittsburgh district. She was introduced to the new members and responded with a few words of greeting.

At the conclusion of a delicious menu President Mrs. Magee called upon the various committees for reports. A feature of the meeting was the appointment of a group of committees which will embrace the entire membership of the club, for the purpose of raising money to put over the community home project. These committees will work independently of each other, and the first large undertaking will probably be a play to be put on by the committee, headed by Mrs. F. L. Schweitzer and Mrs. Roland Haines. The ladies received an invitation from the Heinz Company to visit the Pittsburgh plant and many planned to accept the invitation, with Mrs. H. R. Smith and Mrs. H. S. Gold in charge of reservations.

Mrs. Berwick Barton, as chairman of the program, then took charge of the meeting, introducing Mrs. Roland Haines, who gave an address on "England and Reparations"; this was followed by a paper on "France", read by Mrs. John Rohrer. Mrs. Barton read a paper on "Germany" and Mrs. A. M. Stevenson concluded the interesting program with a paper on "China", the papers stressing the point, "What Our Neighbors Are Thinking".

Hostesses of the day were: Mrs. W. Weidel, Mrs. Loren Springer, Mrs. Charles Jackson, Mrs. Herman Wilson, Mrs. Robert Grandey, Mrs. Harry Caplan, Mrs. S. Wilkoff and Mrs. E. B. Yahn.

HIGH LIGHTS OF HISTORY

By J. Carroll Mansfield

The Story Of The World War
165—Kerensky And Korniloff.

IN AUGUST, 1917, THE TROUBLES OF THE RUSSIAN PROVISIONAL GOVERNMENT WERE AUGMENTED BY A DISSENSION THAT AROSE BETWEEN ALEXANDER KERENSKY, THE PRIME MINISTER, AND GENERAL KORNILOFF, RUSSIAN COMMANDER-IN-CHIEF.

BOTH AGREED THAT A DICTATOR WAS NEEDED TO CHECK THE SPREAD OF ANARCHY AND RESTRAIN THE SOVIETS. BUT EACH WISHED TO BE DICTATOR AND DISTRUSTED THE OTHER.

KORNILOFF DISPATCHED A CRACK DIVISION FROM THE FRONT TO PETROGRAD TO ESTABLISH THE DICTATORSHIP.

AFTER THIS FORCE HAD STARTED TOWARD THE CAPITAL, KERENSKY BEGAN TO FEAR THAT KORNILOFF INTENDED TO EMPLOY THESE TROOPS TO OUST HIM.

KORNILOFF REFUSED TO GIVE UP HIS POST, AND ORDERED HIS TROOPS TO CONTINUE THEIR ADVANCE ON PETROGRAD AND DEPOSE KERENSKY. THERE WAS ONLY A SMALL GARRISON IN THE CITY, AND A STATE OF WILD EXCITEMENT PREVAILED AS KORNILOFF'S DIVISION APPROACHED.

KERENSKY IN DESPERATION APPEALED TO THE SOVIET TO DEFEND THE CAPITAL. HE RELEASED THE BOLSHEVIST LEADERS FROM PRISON, AND AUTHORIZED THE ARMING OF THE PETROGRAD WORKERS. WHEN KORNILOFF'S TROOPS FOUND THE CAPITAL WELL DEFENDED, THEY SUR-RENDERED WITHOUT FIRING A SHOT. THUS KERENSKY TRIUMPHED OVER HIS RIVAL, BUT PLAYED INTO THE HANDS OF THE BOLSHEVISTS.

KERENSKY'S POSITION WAS NOW PRECARIOUS. THE LEADERS OF THE BOLSHEVISTS, SURE OF KERENSKY'S WEAKNESS AND THEIR OWN STRENGTH, PLANNED TO OVERTHROW THE PROVISIONAL GOVERNMENT. TROTSKY SECURED THE SUPPORT OF THE PETROGRAD GARRISON AND THE SAILORS OF THE BALTIC FLEET. LENIN SECRETLY RETURNED TO PETROGRAD TO BE ON HAND WHEN THE BLOW WAS STRUCK.

Tobias And Peters Real Madison Square Battle

Tobias Wants To Show Local Fans He Was Discriminated Against In New York; Peters Anxious To Prove That "Whoopie" And Not Tobias Beat Him; Joey Katkish Hopes To Beat Romeo Pacelli. Two Other Bouts Monday.

By ED. FRITZ

Phil Tobias, New York City, and Ernie Peters, Chicago, flyweights, return to Jolly Bowl next Monday night to finish what they started in September. When the Hebrew met the Indian Tobias had Mr. Redskin on the floor three times, but as the chapter in legalized assault and battery eased into the closing rounds the cunning Injun threw so many gloves some of the fans were bewildered and some of the vast audience believed him entitled to a draw, which of course was Old Man Bunk. Tobias won that fight, but were not so sure he will be able to repeat.

Sam Pian, the immaculate manager of the Pute tribesman, had a lot to get off his chest before the first fight here. In fact, Sam was somewhat flustered with rage. He said his little Injun companion had been sent to California, where he had a thoroughly good showing against Speedy Dado, the Filipino. Being somewhat flush with wampum, he played whoopee, trained in Chi' on bright lights and loaded during the daytime.

"It wouldn't be a big surprise if he got his ears knocked off tonight," said Pian, and the fact of the matter is he almost had that done. The Hebrew kissed Ernie with a lot of gloves and in the fifth and sixth rounds he had the Indian looking like a brave who had been scalped. Ernie was down three times groveling on the canvas, but when they eased into the last sessions he came back, and what a garrison rally he made!

The announcer, who wrote the story goes on to say that "it was the best flyweight battle that the bowl has ever had," and there isn't a fan in town or out of town who has been a frequenter of Bill Jolly's palace of sweat who will deny that they have seen some fast fights for short money.

A week ago Monday night Madison Square Garden held the first round of a flyweight elimination tourney. Four of the participants have been performers at the bowl. In fact, we believe that the Garden got their tip from New Castle and Toronto, the best flyweight cities in the world.

Willie Davies was beaten by Black Bill, Midget Wolcott won a disputed decision from John McCoy, Husat put the skids under Izzy Swartz and Ernie Peters actually beat Dark Cloud (Rudy) Bradley, though the judges gave the "duke" to Bradley. All the sport writers declared that Peters should have had the decision.

Here's the rub: Mr. Tobias wasn't in the milling. Why? Nobody knows. His manager, Bob Levy, claims that no one would fight Tobias and he yelled loud and plenty. We know that Mr. Davies wouldn't take on Tobias here, so while promoters were trying to figure out how to get Tobias against some topnotcher the Jolly Bowl got busy.

Westminster Eleven Uses Franklin Field Flood Lights Tonight

Westminster College Football Team Will Practice At Local Stadium Tonight

Coch Beede Driving Blue And White Team Through Hard Workouts This Week

NEW WILMINGTON, Pa., Nov. 13.—Coach "Dike" Beede's Westminster College football team travels to New Castle tonight to practice at the Benjamin Franklin junior high school stadium for Friday night's game with Duquesne at Forbes Field, Pittsburgh.

The United Presbyterians practiced on the home field Monday and yesterday with all members of the squad but Joe Pipoly, star end, and James Perrin, halfback, in uniform. Pipoly will not be able to play again this season, but Perrin should be ready to go by Friday.

Officials Troubled
Westminster officials are troubled over the advantage the Dukes will have Friday night. Wearing white jerseys, using a white ball, and having had a number of practice sessions at night, the Laymen will of course be far out ahead in "breaks." But the Titans may also change their uniforms for the contest, thus causing some little concern in the Duke camp.

At least two freshmen will start against the Dukes Friday night. These men are Bob Deale, Sharpshooter, fullback; and Harry Brownlee, Lock Haven, end. Most of the others on the Titan starting lineup are from the Pittsburgh district. Paul Campbell, former Westinghouse high star, will be at left half; Harry Michaels, Turtle Creek, at quarter; Ben Haldy, Forest Hills, at right half; Emmett Dwyer, Turtle Creek, at left end; Joe Tombs, Elizabeth, at left tackle; Donald Cleland, Pottsville, at left guard; Captain Russell Boone, Turtle Creek, at center; Richard Fuller, Erie, at right guard; William Armour, Sharon, at right tackle; Harry Brownlee, Lock Haven, at right end; and Robert Deale, Sharpshooter, at fullback.

Others who are almost certain to see action are: Glenn Echus, Sansbury, O. tackle; George Cebula, Campbell, O. guard; Gerry Sweet, Erie, guard; Dave Morrison, Elizabeth, guard; Homer Dishong, Johnstown, tackle; and Scott Hadden, Meadville, tackle.

Marshall employed somewhat the same tactics, having an easy assignment with the Fairmont Teachers which they defeated 39-0. The game is being boosted as the feature contest of the year at Huntington and a huge crowd is expected by Marshall college authorities.

Washington Squad Has Good Season

Summary Shows That Four Games Were Won, One Lost And Another Tied

Four times victors, once losers and another time in a draw, is the way George Washington junior high school's football team fared this past season, a summary of the season reveals. Since the new junior high school opened in the fall of 1928 there have been seven games won, two lost and one tied.

The scores of the different games this season are as follows:
Franklin 7, Washington 0.
All Stars 0, Washington 6.
Bessemer Reserves 0, Washington 6.
Shenango 0, Washington 13.
Bessemer Reserves 0, Washington 18.
Franklin 6, Washington 6.

The Washington eleven ran up 49 points to their opponents' 13. Coach Gillaspie's boys went through a stiff season and showed up well considering the length of time football has been in vogue at the school.

The following boys were members of the squad this year: Captain "Dub" Habib, Beckwith, Clea, Fallon, Enders, Buccia, Rambo, Pagley, Lane, Burns, Capitola, Huffner, J. Uram, Campbell, Reiber, Trax, Weber, Rodgers, Smith, Dicks, Simons, Ridley, Joyce and Baldwin.

Herber Baldwin and Howard Rumbaugh were the student managers while R. F. Holt was faculty manager.

Five Veterans On Greensburg Team

Left to right: Dangelo, ineligible; Jack Scott, assistant coach; Brinkley, fullback; Cox, tackle; Captain Hayden, guard; Hamilton, tackle; Vudy, guard; Earl E. Loucks, head coach.

By "BUGS" WALTHER.

Greensburg high school football team will have five veterans in the lineup when they face New Castle Saturday afternoon at Franklin Field. The visitors hold an advantage over New Castle in regard to let-terms.

When Coach Earl Loucks and his assistant Jack Scott, issued the call early in September they were greeted by a healthy squad of men, and of this number when the noses had been counted, it was found that five of the boys had been members of the big Brown Tornado of 1928.

The veterans are Brinkley, fullback; Captain Hayden, guard; Hamilton tackle; Vudy, guard; and also Dangelo, the latter however was only able to play two games this year on account of the 20-year age limit, thus robbing Loucks of another veteran. The outlook at Greensburg for this year wasn't bad. The remainder of the material was first-class.

Have Cleaned Up
In the first game of the season Greensburg ran into a tarter in Hurst high class B school, and by good luck and good management both, managed to escape with a 8 to 0 victory. Mt. Pleasant high wasn't nearly as hard, and Greensburg slipped out with a 38 to 6 decision. The Mt. Pleasant team scored on the Loucks machine, proving that it could be done.

Youngwood high found the going severe and succumbed by a big score. Ligonier also found the Brown clad team superior and were defeated by a healthy count.

Greensburg socked Connellsville 39 to 0 in a lopsided encounter. Charleroi was easy for Greensburg this year. Wilkensburg fell 12 to 2, before the powerful drives of Brinkley, New Kensington high last week fell victims 26 to 0.

Locals As Barrier
New Castle high stands in the path of the Greensburg team in their march to the W. P. I. A. L. title. Will the powerful Lawrence county team be able to halt the Tornado? This question will be uppermost in the minds of hundreds of scholastic fans in this section of the state Saturday.

If New Castle plays the kind of football they are capable of playing, and have played they may stop the mad rush of the Loucksmen. New Castle looked anything but impressive as they messed around over in Youngstown and "blew-up" at the South high stadium.

The locals have five men on the squad this year who saw service in the Greensburg game, but none of them were regulars, they are McAuley, McIntosh, DThomas, Deep and Binder. New Castle posted a 31 to 2 licking on the Greensburg team last year, and the locals looked impressive as they did it.

No Stars On Team
According to reports from Greensburg there are no stars on the team this season, rather they try for co-operation, and each man has his part to play. Each man has a job to do in the scoring of touchdowns. This system seems to be working out rather nicely.

Coach Bridenbaugh realizes the enormity of the game ahead of his cohorts, and accordingly the practice ditch this week is none too rosate. Many long hours will be spent this week in preparation. New Castle wants to be in tiptop shape for the Greensburg team. There will be no let-down in training.

Over-Confidence
Down in Greensburg. Coaches Loucks and Scott are giving the boys plenty of stiff work. Just because New Castle lost to Westinghouse and tied South High Youngstown is no excuse for a let-down in morale. It will be quite a job to keep the Greensburg team from being over-confident this week when they tackle New Castle here, but Loucks hopes to instill in their "noodles" the idea that New Castle is going to be plenty tough.

New Castle high had a dose of this over-confidence stuff last week, and it didn't taste so good.

Southern California Primed For Irish In Chicago Grid Game

Out In California They Can See Nobody But Trojans As Victors Saturday

Notre Dame's Weak Showing Against Drake Has Evidently Fooled Some

By DAVIS J. WALSH
International News Service Sports Editor

NEW YORK, Nov. 13.—Out where gently the surf rolls in from the lazy bosom of the Pacific, they are touting Southern California to come East to Chicago on Saturday and succeed where some of the good ones of the Big Ten, the East and the South have failed, namely, to beat one of the great Notre Dame teams. A great Notre Dame team is quite an institution, considering everything that has happened around South Bend during the last fifteen years, yet the man would be a sap who tried to play it through its final three games with Southern California, Northwestern and the Army.

These aren't regulation three-foot-six-inch hurdles; they are pole vaulting standards. Notre Dame, playing out one of the most exacting schedules ever conceived by the mind of man, obviously is defying destiny.

Trojans Favored
The deft, according to Coast warnings, will live no longer than Saturday. The Coast, in fact, not only is touting Southern California will win; it is insisting that this will happen. The insistence might lack real significance, if it wasn't for the fact that some of it emanates from the North. They usually don't speak the same language in the two major sections of California but, when they do, it is time to pin back your ears and give marked heed.

There is, for example, the dean of all coast critics, Brick Morse. An old California star back in the pre-rugby era, he has been calling them as he sees them for years on end, and when he sees Southern California, they must be an eye for an eye. Mr. Morse, of course, is a long way from South Bend. As smart as he admittedly is, he can't know Notre Dame. He apparently is satisfied to know Southern California.

Somehow, the Trojans still have the entire state impressed in spite of what happened in the California game. They give California due credit for stopping the concentration plays of the Jones outfit but don't think any other team will do it, not even Notre Dame.

Irish Have Power
As a matter of fact, they seem to feel that Notre Dame is less likely to do it than some others, the idea being that Rockne's team is too light to stand up under Southern California's power plays on the tackle positions, particularly after the bruising season Notre Dame is finishing. This may or may not hold good, depending on several developments. Notre Dame certainly drew its last decision very fine, and with a team like Drake, at that. The latter was "up," by 7 to 6 going into the final period.

But whether this performance represented staleness or merely an attempt to glide through an ordinary football game in order to save all it had for Southern California, only Saturday's event will disclose. And I would hate to be on the team that runs away with the idea that Notre Dame is a chump for power football.

No, this Notre Dame-Southern California is not one that can be called from any distance. If everything else is even; they decide this kind on the breaks. And I must concede that one of these already rests with the Trojans. They have nothing and Notre Dame everything to lose by this football game.

Director Klee Teaching Boys Fundamentals Of Basketball

Physical Director William L. Klee of the senior high school is busy teaching the boys the fundamentals of basketball which will soon be going strong.

Throwing a ball, dribbling a ball, shooting are among the things the physical director is teaching the boys. In a week or so teams in each of the classes will be chosen. Games will be played among the different teams of the classes. At the end of the schedule games will be played to decide the champions.

Old Time Boxer Recalls Some Of Notable Boxers Of Local Ring History

New Castle has been for a long period of years the headquarters for a great number of prize fighters of unusual ability, an old time fighter revealed to the writer recently.

These fighters were trained and managed by Jimmie Dime, who was, at one time, ranked among the greatest fighters of the world, and later became a renowned trainer.

Numbered among Dime's fighters was Tony Ross, now of Pittsburgh. Mr. Dime worked faithfully in trying to make Tony Ross the heavyweight champion of the world. And he came mighty near it. Sam Langford was probably the only reason Ross didn't attain the championship. Langford, a colored fighter, often referred to as the "Boston Tar Baby," was a fighter who was generally admitted as able to lick the champion, but because of racial handicaps, he never fought the champion.

If it hadn't been for Langford, the "Boston Tar Baby," many people believe Ross would have been the world's heavyweight champion.

Then there was Patsy Brannigan, also one of Dime's pupils. Patsy Brannigan, now of Pittsburgh, fought the world's best men, among which were Kid Williams and Johnny Kilbane, featherweight champion of the world. Brannigan had more ring battles to his credit than any other fighter in the entire world. The writer believes that Brannigan was knocked out only once in his entire career.

Tommy Jones, a fighter of prominence, was also under the tutelage of Jimmie Dime. Jones is now a member of the city police force.

Battling Terry, now employed in the tin mill, was another local battler of note.

Tommy Bresnahan made a name for himself in the fighting world. Tommy is now the owner of a confectionery store in Rochester, N. Y.

Tom McMahon, now of Hubbard, O., was a well known figure in pugilism. He had as opponent, at one time, Jess Willard, heavyweight champion.

Big Dan Dailey, now working in Pittsburgh, was among Jimmie Dime's last colorful heavyweights.

Tony Melchior, a young chap from Chicago, who was quite enthusiastic about boxing, was greatly dismayed by a defeat at the hands of young Tom Gibbons. Melchior returned to Chicago, after the defeat, embittered. He didn't know that Gibbons was to later show that few men in the fighting world could equal his prowess. He was a fair match for Jack Dempsey.

George Chip, another of Dime's men, knocked out such men as Harry Greb hit the canvas in the second round in 1913. Joe Chip is now a referee in boxing shows in Pottsville, Pa.

In many cases, Jimmie Dime has

trained men to make near champions but only one of his men became a champion. George Chip of S. Mercer street became middleweight champion of the world in 1913 when he knocked out Frank Klaus in six rounds. He knocked out Klaus again in the fifth round of another fight.

Jimmie Dunn, one of the cleverest fighters there ever was, was trained by Dime. Jimmie Dunn managed to keep away from the fists of his opponents remarkably. He just wasn't where the other fighter thought he should be! Among those he fought was Abe Attell, featherweight champion of the world.

Johnny Kilbane was taught by Jimmie Dunn the tactics he had learned from Jimmie Dime. Kilbane became the world's featherweight champion and retained that until Father Time dealt him an uppercut, throwing him out of the ring.

Grid Camp Briefs

(International News Service)
NEW HAVEN, Conn., Nov. 13.—Disappointed by the showing of the Huskies so far this week, Yale's coaching staff announced today two more days will be devoted to scrimmages. Passing will be stressed as the varsity failed to annoy the scrubs with its aerial game yesterday.

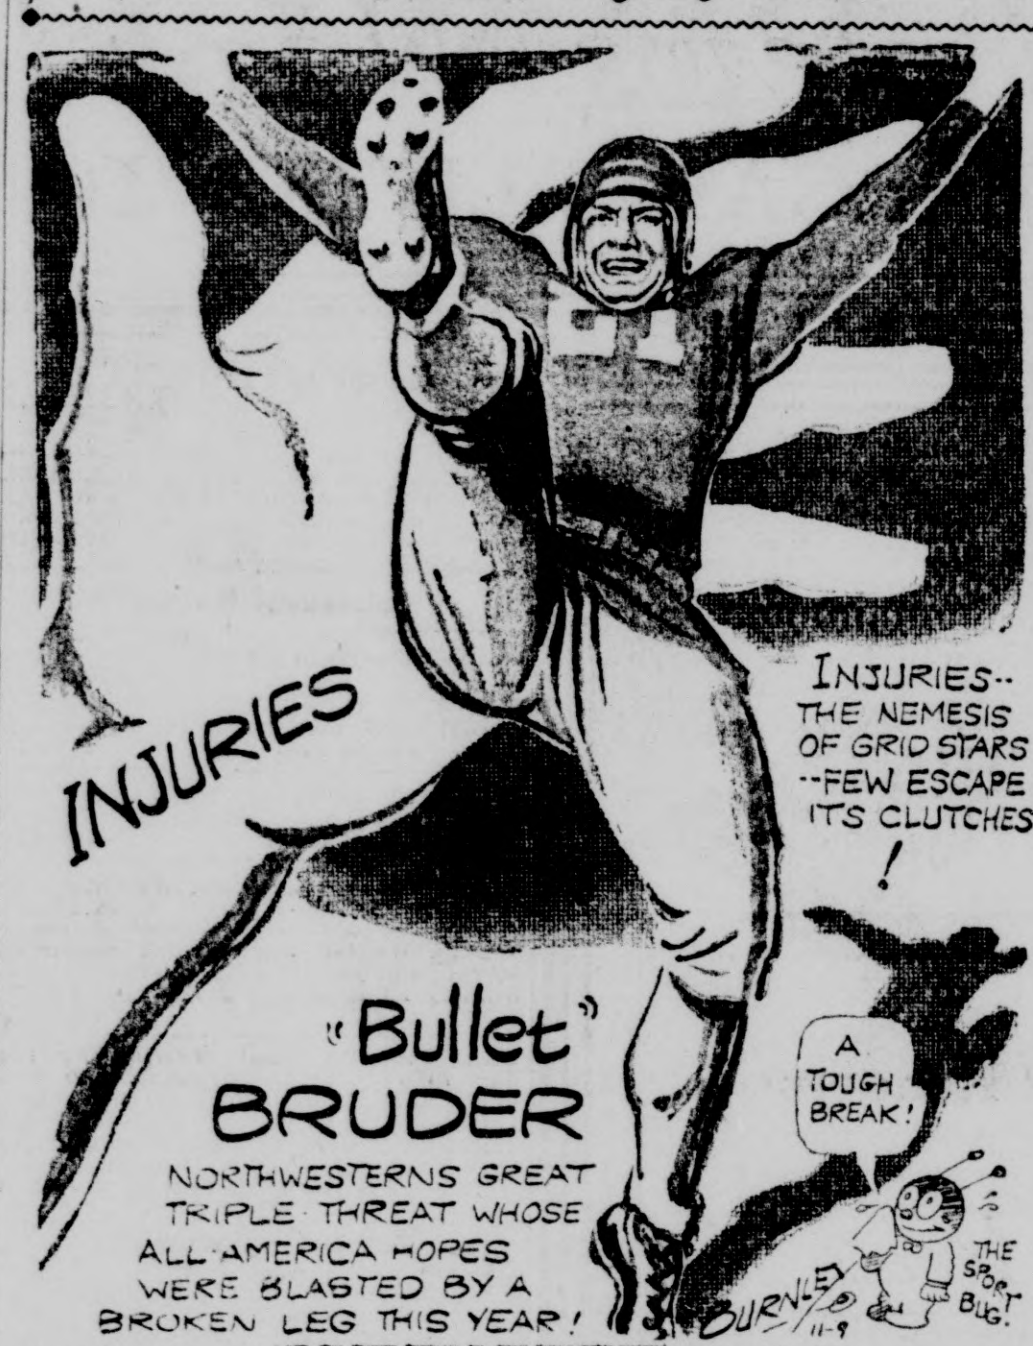

PITTSBURGH, Nov. 13.—In preparation for the night game scheduled for Friday under the lights at Forbes Field, Westminster College and Duquesne university football squads are to be practicing under the lights tonight at New Castle and Forbes Field respectively.

PITTSBURGH, Nov. 13.—From the looks of things this week of the week and of the season, the Carnegie Tech-Pitt football game scheduled for the stadium here Saturday will find those traditional foes each at the peak of condition ready to give each other all there is to be given.

Carnegie Tech, starting out the season in rather shoddy fashion, has been improving right along while Pitt has seemed to amass just a bit more skill and power each week. Result—The game will be a close one, and a football game as is a game and more over, the winner of the city title may well demand recognition in National circles and limelight.

WASHINGTON, Pa., Nov. 13.—Washington and Jefferson is preparing to meet an Ohio conference football team here for father and son day's game Saturday when Wittenberg, with an impressive record to date, comes to town.

The Dread Injury Jinx

Bruder of Northwestern and Glassgow of Iowa were among the early season casualties that were serious indeed from the standpoint of team prospects. The Northwestern backfield broke a leg while in plovling through the Wisconsin line on October 12, while on the previous Saturday, Glasgow fractured his left cheekbone in a scrimmage with Monmouth. The great Iowa fullback, his face protected with a special guard, has since returned to the game, but Bruder is out for the rest of the season. These casualties dimmed the championship chances of their teams.

Beyond normal human consideration for the suffering entailed, injuries that put stars out of the game are the chief terrors of coaches and team enthusiasts. Little injuries like a wrenched ankle, a pulled tendon, the fracture of a small bone in foot or hand, a dislocated shoulder, etc., often extinguish the brightest star at the most unexpected moments and in the most surprising way.

As a potential great in his junior year at Yale, Bruce Caldwell was watching a team-mate tackle the dummy. The husky missed the dummy, crashed into Caldwell's ankles. The latter was badly crippled for months but the next season he did prove a star.

"Tiny" Hewitt of Pittsburgh and Army made appeared to be as tough as they make huge men, but he was frequently hobbled by minor injuries usually received in practice.

Princeton's great "Jake" Sagle in his senior year and at the zenith of his grid prowess hurt his leg while climbing a rocky ledge on a hike with a geology class. He was fixed up well enough to dazzle Harvard, but the following week his leg grew worse and he had to sit on the sidelines during the last game of his career, the big event with Yale.

Injuries certainly constitute the Nemesis of ambitious coaches and teams.

Twenty-Three Make Varsity Squad At Franklin Junior Hi

Twenty-Three Girls Placed On Squad For Coming Basketball Season

Twenty-three girls have made the grade for the Ben Franklin Junior high school basketball squad, according to a statement from Coach Miss Muriel Findley. Practices are held on Tuesdays and Thursdays of every week. Practices start on Tuesday, November 19.

Many things were taken into consideration before a girl was admitted to the squad. Sportsmanship was looked upon with great care. When a girl shows the sign of poor sportsmanship on her part she will immediately be removed from the squad, the coach made it known today.

Ability of the girl was also stressed on the part of each girl. If a girl's playing ability does not measure up with that of another girl on the squad another girl will be put in her place. Attendance is another thing the coach wishes the girls to pay attention to.

Coach Findley is giving each girl a book of rules. After she learns the rules she will be called on to referee a game. In this way the coach believes the girls will know what is allowed to be done on a floor and what is not allowed during a game. It will also eliminate the number of fouls committed. On next Tuesday, Marjorie Gilmore will be called on to referee the first game played between two of the interclass teams of the school.

Following are the names of the girls that have been placed on the squad: Marjorie Gilmore, Lillian Katila, Margaret Brasile, Jennie DeCarbo, Cleora Williams, Rosalie Stencer, Mary Ruha, Evelyn Baker, Mary Klamor, Stella Niemczyk, Philomena Genock, Dorothy Veri, Olga Nahas, Grace Davis, Julia Kech, Josephine Kennel, Edis McCann, Mary Belanci, Jeannette Gineburg, Mary Bernard, Freda Kraft and Venus Moore.

Ideas Suggested For Grid Stadiums

One Would Have Revolving Stands; Another Would Have Playing Field Revolve

(International News Service)
PRINCETON, N. J., Nov. 13.—Here's pleasant reading for football fans who have spent an afternoon in an end seat of a stadium watching two teams battle some quarter-mile away.

Writing in the Princeton Alumni weekly "T. G. P. Princeton, N. J.," advocates a revolving stadium built on a track to aid those spectators whose seats are behind the goal lines. The stadium would make one complete revolution during the course of a game.

"You will have twice been sitting on the fifty-yard line," the writer points out.

Another writer suggests a revolving gridiron as a solution of the end-seat problem.

HANOVER, N. H., Nov. 13.—Dartmouth's hopes for a victory were higher today as a result of the improvement noted in the second-string players.

It was announced today that Len Clark, Crehan and Ping Ferry would be out of the game Saturday. All three men were badly injured in earlier games.

The Comptroller-General complains that Shipping Board vessels are sold too cheap, but doesn't give the market quotation on white elephants.

Points And Punts

By JAMES A. RUGH

After the kick-off is disposed of satisfactorily, the play is usually continued from scrimmage. The side holding the ball must have at least seven men on the line of scrimmage; that is, seven men must have both hands or both feet or one hand and the opposite foot within 12 inches of a line parallel to their goal line, running through the end of the ball nearest to them. In case this is not complied with a five yard penalty shall be inflicted.

The backs must be at least a yard back of this line, with the exception of the man who first receives the ball from the center. (5 yard penalty.)

No part of any player shall be ahead of the line of scrimmage at the time the ball is snapped. (5 yards penalty.)

No player of those ordinarily occupying the position of center, guard or tackle may drop back of the line of scrimmage on offense before the ball is put in play unless he is at least 5 yards back of the line of scrimmage at the time the ball is put in play. In case one of the above described players does drop back another player must take his place on the line as there must be seven players on the scrimmage line. (Penalty 5 yards.)

At the time the ball is snapped, no player of the side on offense shall be in motion in any direction except one player may be in motion toward his own goal line. In case a player is moving out of the line when the ball is snapped he must be at least 5 yards back at the time the ball is snapped. (5 yard penalty.)

In case of a shift or huddle play, all players must come to an absolute stop for approximately one second before the ball is passed. (5 yard penalty.)

The man carrying the ball is the only player who is permitted to use his arms to obstruct an opponent. (15 yards from spot of foul.)

The team on defense is not restrained as to the placing of players. The captain may place any number on the line but of course no player may be in advance of the line running through the end of the ball nearest to his goal line.

Players of the side not in possession of the ball may use their hands and arms to get at the ball or the player carrying it, but they shall not tackle or hold their opponents except in actual attempt to get at the man with the ball. (Loss of 5 yards next down first down.)

Basketball Schedule Complete For High

Sixteen Games Scheduled For 1929-30 Basketball Season For Senior High School

(By CHARLES LANDOLF)
Basketball is just around the corner for the New Castle High school team this year. The first game of the season will be played here on December 13, with Wilkinsburg High. The schedule as compiled by Faculty manager Ralph Gardner contains 16 games.

This also includes the games which will be played in Section Three of the W. P. I. A. L. of which New Castle is a member this year. Two games have been scheduled with both Washington and Wilkinsburg High school. One game will be played here and the other away. Three games will act as starters for the locals until the league games begin. The W. P. I. A. L. season for the locals starts on January 3, New Castle playing Mars High.

Competition will be centered around Butler, Ellwood City, Evans City, Mars, and Zelenople. The above teams along with New Castle make up Section Three. Faculty Manager Gardner stated today that several more games may be added to the schedule. Preliminary workouts have started at the high school for the coming floor season. After the football season is over Coach Phil Bridenbaugh will get down to business. He will face a hard task with only two members of last year's quintet to use as a foundation. These two are McAuley and Alexander.

Following is the schedule of the 1929-30 floor season for New Castle in the W. P. I. A. L.

January 3, New Castle at Mars.

January 10, Zelenople at New Castle.

January 17, New Castle at Evans City.

January 24, Ellwood City at New Castle.

January 28, New Castle at Butler.

January 31, Mars at New Castle.

February 7, New Castle at Zelenople.

February 14, Evans City at New Castle.

February 21, New Castle at Ellwood City.

February 25, Butler at New Castle.

Other games scheduled which will have no bearing on the league follow: Wilkinsburg at New Castle, December 13; New Castle at Wilkinsburg, December 20; New Castle at Washington, January 8; Washington at New Castle, February 4.

PRINCETON, N. J., Nov. 13.—Princeton apparently plans to take to the air in Saturday's game with Yale for the Tigers have been devoting most of their practice session to aerial work. Keene Fitzpatrick, trainer, announced today that Bill Moore would be in shape to take over his guard post against the Elis.

Morrison May Play At Tackle For Blue

MORRISON - GUARD

NEW WILMINGTON, Pa., Nov. 13.—When Duquesne and Westminster clash at Forbes Field, Friday night in an important tri-state conference game, Dave Morrison, husky freshman from Elizabeth, may get a chance to play at tackle. Morrison, weighing 187 pounds, has played in a number of games this season at guard. With Sweet and Fuller, veteran guards, available, Morrison may play at tackle. By next year the Elizabeth lad should be one of Westminster's best linemen in recent years.

Tennis Luminaries Engaged To Marry

Johnny VanRyn, Princeton Tennis Star To Wed Miss Marjorie "Midge" Gladman

(International News Service)
SANTA MONICA, Cal., Nov. 13.—Marjorie "Midge" Gladman, 19-year-old intercollegiate women's tennis champion, today confirmed reports of her betrothal to Johnny Van Ryn, of East Orange, N. J., Princeton tennis star.

"Yes, it is true," she told International News Service. "John and I are engaged to be married. I have already sent announcements to my friends."

The romance began last summer when Miss Gladman and Van Ryn played in the mixed doubles national championships.

Unbeaten, Untied Teams Face Hard Final Games

By WILLIAM RITT
Central Press Sport Editor
NEW YORK, Nov. 13.—With football swinging into its final quarter—the period of Nov. 16 to the Saturday after Thanksgiving Day—only seven major teams stand with clean records, unbeaten and untied.

This is a higher percentage than usual at this stage of a grid season. And, since these so far "perfect" teams are widely scattered over the east, south and midwest, there is great likelihood that at least some of them will survive the closing contests of the year.

The seven are Tennessee, Pittsburgh, Vanderbilt, Kentucky, Cornell, Dartmouth, Penn. State, Tulane, Sewanee, Louisiana State, Notre Dame, Southern California, Northwestern, Army.

Purdue, Iowa, Indiana.

It is easy to see that Notre Dame has the toughest remaining schedule, with Purdue, Pittsburgh, Cornell and Tennessee about even on toughness of the jobs still to be performed.

Utah and Tulane have comparatively easy roads to travel from now on.

with perfect showings are Davis-Elkins and California. Texas and Fordham have two ties registered against them.

Chances of the "perfect" teams dashing through the remainder of their schedules without defeat or tie can best be gauged by viewing the list of their remaining games.

Here they are:

Tennessee: Vanderbilt, Kentucky, Pittsburgh; Carnegie Tech, Penn. State.

Utah: Wyoming, Utah Aggies.

Cornell: Dartmouth, Penn. State.

Tulane: Sewanee, Louisiana State, Notre Dame, Southern California, Northwestern, Army.

Purdue: Iowa, Indiana.

It is easy to see that Notre Dame has the toughest remaining schedule, with Purdue, Pittsburgh, Cornell and Tennessee about even on toughness of the jobs still to be performed.

Utah and Tulane have comparatively easy roads to travel from now on.

Injuries May Be Union Drawback

Game With Slippery Rock Went Hard On Locals; Bessemer Also Crippled

Union high school and the Bessemer high school's football squads have enjoyed successful seasons so far and both will attempt to outdo the other when they meet for their annual clash at the Scotland lane field, Friday afternoon.

Union has lost only one game, that to Slippery Rock last week by the count of 7 to 6. Bessemer has likewise tasted defeat but once this fall.

Several of the Bessemer regulars will be kept on the bench this week due to the fact that injuries have wrought havoc in their lines, like in the Union camp. There exists between Union and Bessemer a keen rivalry.

Last season Union took Bessemer's scalp but only by a close score. Union's game with Slippery Rock last Friday resulted in two serious injuries that will tend to weaken the lineup when it attacks the Bessemerites. Several, the regular tackle, received a broken nose in the combat and will necessarily drop out for the remainder of the season.

Coach D. W. Boyd is considerably worried about "Stretch" Augustyn, the powerful "Battering ram" of the backfield. Augustyn has been nursing a bad knee since the season first opened and in Slippery Rock's tussle

hurt it all the more. He may play Friday.

Monico, the shifty blue and white halfback, was missed in the game last week but will be among those who trod out on the field at the beginning of the game on Friday, unless something unexpected happens. Monico will play under a handicap.

Considerable interest is being shown in the game both by the Union students and those who reside in the township. The Union-Bessemer game is an annual affair always looked upon as the most important of the year. A large crowd of spectators will be expected for the game.

SPEZIA, Italy, Nov. 13.—The Italian steamer Augusto today rescued the passengers of a French seaplane forced down on the sea near Sardinia, while enroute from Marseilles to Tunis.

FIND DEAD HUNTER, LYING NEAR AUTO

MEADVILLE, Pa., Nov. 13.—Elwyn K. Ellsworth 23, of Cusawago township, Crawford county, was found dead alongside his automobile this morning with his discharged shotgun beside him.

Authorities believe that Ellsworth, who had been plowing, left his machine to shoot a rabbit and that the gun was accidentally discharged. The shots struck him in the body. Last year Ellsworth was a student at the University of Pittsburgh.

Some Winners In Townships

Official Count Reveals Successful Candidates In County

SUPERVISORS ARE NAMED FOR TERM

While the interest of the county in general was centered upon the city and county winners, in the election held November 5, there were yet a large number of offices filled in the townships of the county.

Road supervisors, school directors, tax collectors, assessors, township auditors and other officers were elected and in some districts the fight was just as close as though a national election were taking place.

Some of the officers elected in the townships as announced in the official count are seen below.

Police School Is Still In Future

Project Considered Some Time Since Is Never Acted Upon

Several years ago there was a report that the heads of the city police department would establish a school here for the training of new members as a means of adding to the efficiency of the department.

State policemen are given a several months course before they are actually sent on the job. They are also put through a course of physical training.

When police are appointed here they are given a book of rules, a badge and a mace and accompany a brother policeman to "learn the ropes." However the school has not been established.

Were a school established the police who are in doubt on questions could ask superior officers. The city solicitor and other attorneys no doubt would be pleased to appear before the officers.

Child Injured As Autos Meet

Cars of L. Tiberio of Youngstown, and N. M. Seibert of 111 East Wallace avenue came together last evening at North Jefferson and Grant streets, both machines being damaged and little Peggy Ann Wilkinson of Wallace avenue who was riding in the Seibert car sustained a severe bump on the head.

Tiberio reported to the police that he was going east on Grant street and had made the main thoroughfare stop and seeing no cars started to cross North Jefferson street when the Seibert car coming at a considerable rate of speed hit his machine when it was nearly across Jefferson street.

Two Cases Still On Trial At Court

Cases of Foster Bros. against Neshannock township school board and New Castle Box Company against The City of New Castle are still on trial at court, the former before Judge Hildebrand and the latter before Judge Chambers. The two cases were taken up on Monday.

Aged Woman Faces Serious Charge At Steubenville, Ohio

(International News Service)

STEUBENVILLE, O., Nov. 13.—Mrs. Belle Kennedy, 62, the mother of nine children, today had been bound over to the federal grand jury, charged with having sent a package of poison candy through the mails at Bellaire, Ohio.

According to the claims made by the government against her, Mrs. Kennedy, jealous of her son Elmer, mailed the poison candy to her daughter-in-law.

Bond was set at \$2,500 yesterday and the accused woman furnished that amount for her appearance before the grand jury.

Legion Members Meet On Tuesday

At the regular meeting of the Perry S. Gaston Post No. 343, American Legion, held Tuesday evening November 12 a number of matters of business were disposed of.

Four New Cases Of Contagious Illness

Several cases of contagion today were reported to the city department of health. The patients follow:

Richard Jones, 7, 1317 South Jefferson street, measles.

Felix Krause, 14, 122 Gardner avenue, chickenpox.

Fred Wimer, 2, 304 Vine street, whooping cough.

James Layton, 4, 834½ Harrison street, diphtheria.

Striking Students Return To Classes

Majority Return To School Following Trouble Over Football Team

(International News Service)

GRAFTON, W. Va., Nov. 13.—The majority of striking students at the Grafton high school are in the classrooms again today, following a walk-out, followed by "picketing" growing out of the disqualification of 10 star football players last week.

Student class presidents had issued an ultimatum, so far without effect, calling upon the school board to settle the differences between Superintendent H. A. Rice and Principal E. M. Tomlinson.

A banner carried by the striking students in a downtown demonstration parade demanded a new superintendent or the doing away with the office.

As a strike threatened last week, the principal was given a vote of confidence by the student body, student leaders said.

Alliance Tabernacle Has Two Services

In Order To Care For The Crowd A Service Is Held In The Church Basement

Interest grows night by night as the crowds come earlier every night in order that they might be able to find a seat.

Last night the house was crowded and very little standing room left at 7 o'clock. An overflow meeting was held in the basement for all children and children's church was held for them.

The pastor Rev. E. C. Anderson who just closed a very successful campaign in Anderson, Ind., was present and seemed as glad to be home as the crowd was to have him.

The orchestra from the Simpson M. E. church furnished music and Rev. and Mrs. Erickson sang a duet "Steal Away and Pray." Rev. Erickson preached on the "Lord of the Body" and the "Use of Means."

British Embassy May Become Wet Eight Scales Are Condemned

(International News Service)
LONDON, Nov. 13.—The British embassy at Washington, rapidly approaching a "bone-dry" state under the jurisdiction of Sir Esme Howard, retiring ambassador, is due for a wet revival under the ambassadorship of Sir Ronald Lindsay, according to opinion expressed here today.

Sir Ronald, formerly counselor at the British embassy in Washington, and now permanent under-secretary for foreign affairs, will not continue the prohibition ban enforced by his predecessor when he takes over the Washington post early next year, it is believed by his friends.
